**SUBJECT: APPROVAL OF FIRST AMENDMENT TO THE SUBRECIPIENT  
AGREEMENT BETWEEN TARRANT COUNTY AND TASTE  
PROJECT FOR THE CULINARY TRAINING PROGRAM**

**\*\*\* CONSENT AGENDA \*\*\***

**COMMISSIONERS COURT ACTION REQUESTED**

It is requested that the Commissioners Court approve the First Amendment to the Subrecipient Agreement with Taste Project for the Culinary Training Program.

**BACKGROUND**

On September 13, 2022, the Commissioners Court, through Court Order #139083, approved a subrecipient agreement between Tarrant County and Taste Project in the amount of \$388,664.00 as part of the Tarrant County Fiscal Recovery Funds program.

The funds have been utilized to expand the culinary training program through additional staff, supplies, and marketing services.

The Taste Project guides apprentices through a sixteen (16) week culinary arts training program to prepare culinary students for advanced training at the Taste Community Restaurant or to full-time positions with livable wages in the Tarrant County restaurant and hospitality industry.

With approval, funds from the personnel and contractual budget will be reallocated to the supplies budget. This amendment does not increase the overall award amount to the Taste Project. This amendment will extend the contract from June 30, 2024, to September 30, 2024, to better align with program outcomes.

**FISCAL IMPACT**

There is no fiscal impact associated with this item.
