Ms. Salter,

Our agency was recently provided a vehicle to be added to our assigned pool of vehicles to enhance our services and responsibilities to the communities we serve. This vehicle is identified as a 2013 Ford Explorer license plate number BDZ-1831, VIN# 1FM5K7B85DGB35138. I am respectfully requesting a Fuel Man card to be assigned to this vehicle.

Thank you for your assistance,
