***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court approve renewal of Hart InterCivic, Inc. as sole source for Hart InterCivic Verity Voting System and associated software, hardware, accessories, consumables, maintenance, and repair, for Elections Administration.

BACKGROUND

On February 7, 2023, the Commissioners Court, through Court Order #140261, approved Hart InterCivic, Inc. as sole source for Hart InterCivic Verity Voting System and associated software, hardware, accessories, consumables, maintenance, and repair, for Elections Administration.

Hart InterCivic, Inc. provided the Purchasing Agent documentation to substantiate that their sole source status has not changed and they continue to be the sole source for Hart InterCivic, Inc. Verity Voting System (Verity) and its associated software, hardware, accessories, consumables, maintenance, and repair. The letter states that the Verity software applications are a proprietary group of products necessary for an authorized Hart InterCivic, Inc. customer to accomplish ballot creation, election management, tabulation, and maintenance of the Verity equipment. The letter further states that the license, support, maintenance, repairs, thermal paper, and ballots are only available from Hart InterCivic, Inc.

Hart InterCivic, Inc. is the provider of the Hart InterCivic Verity Voting System. The system and services include voting equipment, certified by the Secretary of State's Office, software, accessories, on-site technical support, and solution-specific consumables that are part of the certified solution, such as ballot paper. The Verity Voting System allows the Elections Administration to administer elections effectively and accurately in Tarrant County by providing a platform that can be used by any voter to cast their vote, regardless of disability, while still providing a verifiable paper trail. The system provides an easy, reliable, and verifiable method for tallying election results while maintaining the security of the voted ballots.

Under the County Purchasing Act, exemptions to the competitive bidding requirements are allowed for certain types of purchases. The statutes require that the Purchasing Agent advise the Commissioners Court of the existence of only one (1) source, with such notice to be entered into the minutes of the Court.
