**COMMISSIONERS COURT ACTION REQUESTED**

It is requested that the Commissioners Court approve the FY 2025 Community Service Provider Subrecipient Contract with My Health My Resources of Tarrant County (MHMRTC) for the provision of Help Me Thrive (HMT) Program services through the Texas Health and Human Services Commission (HHSC) Family Support Services (FSS) Community Youth Development (CYD) Program, contract #HHS000841700005.

**BACKGROUND**

Tarrant County Public Health (TCPH) receives annual grant funding from HHSC for the continuation of the CYD program. CYD provides support services to youth and their families with the goal of curbing juvenile crime in Tarrant County. These supports lead to strengthened connection, engagement, and contribution to the community. Grant funding provides assistance to HHSC partners with community-based programs, providing a variety of opportunities to promote positive outcomes for children, youth, and families. Services are provided by sub-awards through reimbursements from the CYD program HHSC grant.

MHMRTC's HMT Program is a system framework that will enhance and build on the existing Help Me Grow (HMG) North Texas system framework (prenatal through age 5) to develop and enhance a comprehensive approach to supporting families with children and youth ages 6 to 17 with identifying needs, connecting to services and support, and assuring resources are available. In addition, the HMT system model will further enhance the existing Mental Health System of Care bringing together providers and families to identify gaps in services through data analysis and evaluation and pursue opportunities to develop services and support needed to close those gaps.

On April 16, 1996, the Commissioners Court, through Court Order #74131, approved the original CYD Grant Contract with the Department of Family and Protective Services (DFPS) to curb juvenile crime in the 76106 and 76164 ZIP codes. Thereafter, renewals have been made to continue the program.
