

The State of Texas §
County of Tarrant §

COMMUNITY SUBRECIPIENT CONTRACT

1. BACKGROUND

Tarrant County, Texas ("County") has received a grant (the "Grant") from the Texas Department of State Health Services (DSHS), for State Service Grant Programs, to fund HIV-related care and support services; and

The County Judge designated the HIV Administrative Agency in charge of distribution of Grant proceeds. The purpose of this contract is to administer HIV service delivery funds to subrecipients who provide comprehensive HIV-related care and support services to meet the needs of persons living with HIV.

Tarrant County Preventive Medicine Clinic ("Subrecipient"), also known as "Subcontractor" in the Texas Health and Human Services Commission HHSC Uniform Terms and Conditions, which are attached hereto and incorporated herein) is an organization in Tarrant County, Texas, that provides HIV/AIDS community services and has requested an award of Grant proceeds from the County to support it in providing HIV-related care and support services; and

The County, acting by the Commissioners Court of Tarrant County, agrees to provide Subrecipient funds from the Grant, to the extent available, in an amount not to exceed **\$112,100.00** in exchange for Subrecipient's agreement to provide HIV/AIDS community services based upon certain terms and conditions.

Therefore, County and Subrecipient enter into the following Community Subrecipient Contract (the "Contract") based upon the following terms and conditions.

2. SCOPE OF WORK

Subrecipient will perform the Scope of Work described in **Attachment 1, A1-2024014**. On receipt of this Contract, Subrecipient will begin and complete the work within the Contract term. Subrecipient will provide services in accordance with Ryan White HIV Program Services: Eligible Individuals and Allowable Use of Funds Policy Clarification Notice #16-02. Subrecipient will also provide services in accordance with the DSHS and local Standards of Care, and consistent with the current Integrated HIV Prevention and Care Plan (Comprehensive Plan).

Subrecipient shall use these funds to provide at least one State Services service to (400) unduplicated clients during Contract Year FY 2024-2025 (09/1/2024–08/31/2025). The number of units and clients by service category are found in the Attachment 1 (Scope of Work).

3. TERM

The term of this Contract is from **September 1, 2024 to August 31, 2025**.

4. AMENDMENTS

This Contract may not be amended without written agreement. However, Subrecipient may move up to 10% of allocated funds within any budget category without written approval of County, except for Equipment or Indirect Cost budget line items, if the movement is consistent with the budget in **Attachment 1**. In order to move any amount over and above a cumulative total of 10%

of allocated funds within any budget category, Subrecipient will request the reallocation in writing to County.

The Subrecipient will submit a revised budget narrative to the Administrative Agency prior to the submission of the Subrecipient's first monthly billing to the County following the movement of funds between budget line items.

If the Subrecipient fails to achieve contracted outcome objectives and expenditures (see Policy PM.001.002, bill Monitoring, Units and Clients), the County may require the return of funds with reallocation or redistribution to other entities.

Subrecipient shall be subject to decrease of funds if funding is not utilized at the anticipated rate of expenditures. The anticipated rate of expenditures is one-twelfth of the contract amount by service category per month. The formula for reduction of funds shall be as follows:

- At one quarter of the contract period the Subrecipient shall have expended at a minimum twenty percent (20%) of allocated funds for each service category. If the minimum has not been expended, ten percent (10%) of the unspent funds allocated for that contract period can be swept through a budget reduction at the discretion of the TC AA.
- At one half of the contract period the Subrecipient shall have expended at a minimum forty percent (40%) of allocated funds for each service category. If the minimum has not been expended, fifty percent (50%) of the unspent funds allocated for that contract period can be swept through a budget reduction at the discretion of the TC AA.
- At three quarters of the contract period the Subrecipient shall have expended at a minimum seventy five percent (75%) of allocated funds for each service category. If the minimum has not been expended, one hundred percent (100%) of the unspent funds allocated for that contract period can be swept through a budget reduction at the discretion of the TC AA.

Subrecipient may become eligible for an increase in funding if it has spent funding at the anticipated rate and can present a proposal for the utilization of additional funds by serving an increase in unduplicated clients and units of service.

5. SEVERABILITY

If a court construes a provision of this Contract illegal or invalid, that construction will not affect the balance of the Contract, and the court will delete the illegal or invalid provision, with all other provisions of the Contract to remain in force and effect.

6. ASSURANCES, REPRESENTATIONS, AND COMPLIANCE

a. Subrecipient ensures that personnel paid from these funds are duly licensed, certified, registered, permitted, approved and qualified to perform contracted services. Subrecipient signifies that all necessary program or facility licenses are current. Subrecipient will notify County immediately if such licenses become invalid during the term of this Contract. The Subrecipient will document these assurances in the year-end program report.

b. Subrecipient assures that funds will not be used to provide items or services for which payment has already been made or reasonably can be expected to be made by third-party payers, including Medicaid, Medicare and/or other federal, state, or local entitlement programs, prepaid health plans, private insurance, or other services provided by community-based organizations. The Subrecipient understands that if services performed under this Contract are available under the state Medicaid plan, then the Subrecipient must enter into a participation

agreement under the state Medicaid plan. Subrecipient will ensure funding available through this Contract is used strictly as the payer of last resort.

c. Subrecipient assures that it will adhere to confidentiality requirements, including policies regarding the confidentiality and security of Protected Health Information, the AIDS Workplace Guidelines, the HIV Services Grant Program Rules, and Requirements for Contents of AIDS-related Written Materials. Subrecipient will not engage in activities that advocate or promote the violation of state or federal laws.

d. Subrecipient assures that it will comply with the HRSA Ryan White National Part B Programmatic, Fiscal, and Universal Monitoring Standards applicable to Subgrantees, Subrecipients and Subcontractors as implemented by Tarrant County. The Ryan White National Monitoring Standards detail the minimum acceptable standards contractors must comply with. Adherence to Local Standards of Care, Site Visit guidelines, Outcome Measures, Contract requirements and other requirements implemented by Tarrant County often exceed those required by the HRSA Ryan White National Monitoring Standards. Subrecipient assures that it will comply with the National, State and local requirements.

e. Subrecipient assures that it will not transfer a client or patient record through any means, including electronically, to another entity, person, or other Subrecipient without a written consent from the client or patient, or someone authorized to act on his or her behalf; however, the County or DSHS, may require Subrecipient, or any subcontractor, to timely transfer a client or patient record to the County or DSHS if the transfer is necessary to protect either the confidentiality of the records or the health and welfare of the client or patient.

f. Subrecipient assures that it will not expend funds from this Grant to lobby Congress, the legislature, or any agency in connection with a particular Contract. Subrecipient assures that it will not discriminate against any person on the grounds of race, creed, color, handicap, national origin, gender, sexual orientation, political affiliation or beliefs.

g. Subrecipient assures in its performance of this Contract that:

- (i) in the case of individuals with an income less than or equal to 100 percent of the official poverty line, Subrecipient will not impose charges on any such individual for the provision of services under the Grant;
- (ii) in the case of individuals with an income greater than 100 percent of the official poverty line, Subrecipient:

- (v) in the case of individuals with an income greater than 300 percent of the official poverty line, Subrecipient will not, for any calendar year, impose charges in an amount exceeding ten (10) percent of the annual gross income of the individual involved.

h. Subrecipient assures that HIV health care and support services provided with assistance made available under this Contract will be provided without regard to the ability of the individual to pay for such services.

i. Subrecipient assures that for any fees it charges to clients for services, Subrecipient will publicly display its fee schedule. Annual aggregate charges (including fees and co-payments) will not exceed the total allowable annual charges. The term “aggregate charges” applies to the total annual charges that may be collected from a client for all HIV services. Subrecipient will create a tracking mechanism to ensure individual client charges do not exceed the maximum allowable annual charges.

j. Subrecipient assures that if it purchases or reimburses for outpatient drugs, the Subrecipient’s drug acquisition practices meet Federal requirements regarding cost-effectiveness and reasonableness, including 42 CFR Sections 50.501-50.504, 45 CFR Part 75.420-475, and other federal law to the extent applicable. The purchase or reimbursement for drugs must comply with the Local AIDS Pharmaceutical Assistance (LPAP) formulary. If Subrecipient is a drug reimbursement agency or a medical provider that dispenses medication, Subrecipient assures that drug costs are based on the average wholesale price (“AWP”) or, when available, the Public Health Services price, whichever is less expensive. Failure to participate, or failure to plan to participate in 340B pricing within 120 days of funding will eliminate organizations from eligibility to be awarded funding in the LPAP service category.

If a Subrecipient receives 340b revenue, this is considered program income and must be spent on allowable items within the grant period. Subrecipients must create a 340b budget.

k. Subrecipient assures that all medical and non-medical case managers will obtain Affordable Care Act Certified Application Counselor status through the Centers for Medicaid and Medicare Services. Subrecipient assures that uninsured clients will be assisted with the process of applying for health insurance through the Marketplace and that documentation of eligibility is maintained in client charts or files. Subrecipient will enroll physicians and clinics in Qualified Health Plans.

l. Subrecipient assures that it will comply with all requirements and guidelines outlined in the most recent HIV Services Standards of Care. Subrecipient will comply with all DSHS, and County program policies and operating procedures including the Texas Health and Human Services Commission HHSC Uniform Terms and Conditions, **Attachment 2**.

Any attempt to transfer, or otherwise assign, will be void and will confer no rights upon any third person or entity.

n. Subrecipient assures and represents that its receipt of funding under this Contract will not be used to supplant private, state, local, or other federal funds received by the Subrecipient.

o. Subrecipient assures that case records of patients/clients who are receiving Ryan White services will contain documentation as required by the Standards of Care.

p. Provide Enterprise is the designated client management information system for the Tarrant County Ryan White Program that must be utilized to document client level information, services delivered, and all required data elements. Subrecipients will be required to pay for the

Provide Enterprise Licensures for new users and annual maintenance fees per licensee. Subrecipients may utilize RWHAP-related funding such as grant funds, program income (i.e., 340b, insurance reimbursement) and/or other funding sources to pay for licensure fees and annual maintenance fees.

q. Subrecipients assure that all Outpatient/Ambulatory Health Services are diagnostic and therapeutic-related activities directly to a client by a licensed healthcare provider in an outpatient medical setting. Outpatient medical settings may include: clinics, medical offices, mobile vans, using telehealth/telemedicine technology, and urgent care facilities for HIV-related visits.

r. Subcontractors may not subcontract (also known as sub of subcontracting) with another provider for services that they are contracted to deliver under County contract.

For all service categories: if a contract cannot be established directly with a provider or there are other extenuating circumstances, the Administrative Agency may request a waiver so that a provider may subcontract for limited services with another provider. An annual waiver request must be submitted and approved by DSHS prior to establishing subcontracts. The waiver must describe why the Administrative Agency cannot directly contract with the provider and the business need for a provider to establish a subcontract. The waiver must include the proposed contract between the provider and another provider. Request for waiver must be submitted no later than thirty (30) days prior the beginning of the contract year. DSHS will respond to waiver requests within ten (10) business days. DSHS has final approval of Sub of Sub-Contracting waivers per DSHS Sub-Contracting Policy 280.001.

s. Subrecipient assures and represents that the person signing this Contract on behalf of Subrecipient is authorized to execute this Contract on the Subrecipient's behalf and to legally bind the Subrecipient to all Contract terms.

t. Subrecipient will complete and sign **Attachment 3** in compliance with the Federal Executive Order 12549 "Debarment and Suspension".

FAILURE TO COMPLY WITH ANY OF THE ASSURANCES AND REPRESENTATIONS CONTAINED IN THIS SECTION 6 HEREIN AS WELL AS ANY OTHER TERM AND CONDITION OF THIS CONTRACT MAY BE GROUNDS FOR TERMINATION OF THIS CONTRACT AND MAY RESULT IN THE WITHHOLDING OF FUTURE AWARDS. SUBRECIPIENT UNDERSTANDS THAT BY ENTERING INTO THIS CONTRACT COUNTY WILL AUDIT SUBRECIPIENT'S PERFORMANCE OF THIS CONTRACT, INCLUDING SUBRECIPIENT'S COMPLIANCE WITH THE ASSURANCES AND REPRESENTATIONS CONTAINED IN THIS SECTION 6 OF THIS CONTRACT.

This Contract is subject to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and the Privacy Regulations, 45 C.F.R. Parts 160 and 164 issued under said Act. The applicable parties, as defined by the HIPAA, will comply with HIPAA and the regulation issued under the HIPAA. By signing this Contract, Subrecipient will comply with **Attachment 4, Business Associate Agreement**, as if fully executed by the parties. Failure to comply with HIPAA and its applicable regulations or failure to execute any documents concerning compliance when requested by County will be a material breach of this Contract and render this Contract null and void. County will make the decision whether or not documents will be required, and the decision of County will be final.

8. STANDARDS FOR FINANCIAL MANAGEMENT

a. In accordance with 45 CFR 75 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards, Subrecipient will develop, implement and maintain financial management and control systems, which include at a minimum accurate payroll, accounting and financial reporting records, cost source documentation, effective internal and budgetary controls, and determination of reasonableness, allowability and allocability of costs, and timely and appropriate audits and resolution findings.

b. A separate cost center will be maintained within the general ledger for each Contract, including a 340b specific cost center. Multiple cost centers may be used, provided the total cost in each of the cost centers equals and supports the reimbursement amount and the total cost reported to Tarrant County. A cost center is defined as a unique series of general ledger accounts established for the purpose of accumulating and categorizing expenses related to a specific cost objective. Each cost center will have a unique revenue account(s) that captures all income generated from these activities performed under a specific cost center. The balances reflected in these accounts will be the basis for monthly payment requests.

c. Subrecipient shall maintain an effective accounting system, which will:

- (i) Identify and record valid transactions
- (ii) Record transactions to the proper accounting period in which transactions occurred
- (iii) Describe transactions in sufficient detail to permit proper classification

These potential payers include private insurance carriers, Medicaid, other available federal, state, local, and private funds, etc. Subrecipient will become a Medicaid provider for applicable program activities funded in this Contract and will maximize efforts to obtain payment from Medicaid and all other available sources.

9. **PROGRAM INCOME**

Program income is defined as the gross income received by a recipient or subrecipient that is directly generated by a grant supported activity or earned only as a result of a federal award during a contract period. Examples of program income include:

- Funds received by billing public or private health insurance for services provided to eligible Ryan White HIV/AIDS Program (RWHAP) clients;
- Fees, payments, or reimbursement for the provision of specific services such as client care reimbursements received under Medicare, Medicaid, Children's Health Insurance Program;
- Charges imposed on clients for services, as required by RWHAP Parts A, B, and C legislation (sliding fee scale charges);

- The difference between the third-party reimbursement and the 340b drug purchase price (i.e. 340b revenue).

a. Subrecipient must use the 'additive' method for expending program income. Under the 'additive' method, program income must be used for the purposes for which the award was made and may only be used for allowable costs under the award.

b. Subrecipients will be required to have a policy and procedure in place for allocating and tracking program income, revenue, and expenditures.

c. Subrecipient will identify all revenues received from performing contract services as "Program Income." Subrecipient will use Program Income for allowable current costs. Subrecipient will budget and expend the Program Income during the budget period in which it is realized.

d. Program income may be expended on any allowable Ryan White core medical or support service category, clinical quality services, or administrative costs as part of a comprehensive system of care for individuals living with HIV.

Subrecipients are expected to vigorously pursue enrollment into health care coverage for which their clients may be eligible (e.g., Medicaid, CHIP, Medicare, state-funded HIV/AIDS programs, employer sponsored health insurance coverage, and/or other private health insurance) to extend finite RWHAP grant resources to new clients and/or needed services.

Prior to billing the County, Subrecipient will have a 3rd party verification system to verify clients' eligibility for payment by Medicaid/Medicare or private insurance. The County will have the right to withhold all or part of any payments otherwise due in order to reconcile third party, Medicaid/Medicare or insurance reimbursable expenses inappropriately billed to the County.

11. ALLOWABLE COST

Tarrant County will pay the allowable costs incurred in performing the Scope of Work that are sufficiently documented. Subrecipient must have incurred a cost prior to claiming reimbursement and within the applicable term to be eligible for reimbursement under this Contract. Tarrant County will determine whether costs submitted by Subrecipient are allowable and eligible for payment. If Tarrant County has paid funds to Subrecipient for unallowable or ineligible costs, Tarrant County will notify Subrecipient in writing, and Subrecipient shall return the funds to Tarrant County within thirty (30) calendar days of the date of this written notice. Tarrant County may withhold all or part of any payments to Subrecipient to offset reimbursement for any unallowable or ineligible expenditure that Subrecipient has not refunded to Tarrant County, or if financial status report(s) required are not submitted by the due date(s). Tarrant County may take repayment (recoup) from

funds available under this Contract in amounts necessary to fulfill Subrecipient's repayment obligations.

The Consolidated Appropriations Act, 2024, Public Law 118-47, signed into law on March 23, 2024, restricts the amount of direct salary which may be paid to an individual under an HHS grant, cooperative agreement, or applicable contract to a rate no greater than Executive Level II of the Federal Executive Pay Scale. 13. CONTRACT FUNDING ADVANCES

Subrecipient may request Contract advances in the amounts as described in 45 CFR 75.305(b)(1).

- Subrecipients will submit payment requests every 30 days to reconcile with the contract advances.
- In order to reconcile any Contract advances, Subrecipient must submit a payment request no later than the 22nd day of each month in order to reconcile said Contract advances.
- Subsequent Contract advances shall not exceed the previous advance, less the amount of funds that remains unused from the previous advance.

14. MEETING ATTENDANCE

Subrecipient will attend all required meetings, as specified by the Administrative Agency, including but not limited to: monthly monitoring calls, quality management, technical assistance, trainings, and care coordination trainings during the Contract term. a. Subrecipient will submit fiscal, progress, programmatic, and other reports as requested by County in the approved format. Monthly payment requests are due no later than the 22nd day of the following calendar month. b. As required by the DSHS, and the County, the Subrecipient will collect, update, maintain and report client level data in a manner consistent with the Uniform Reporting System (URS) based on reporting standards established by HRSA. Subrecipient will collect, update, maintain and report all data consistent for reporting in the annual Ryan White Services Report (RSR), as well as other demographic, medical, service, and other required data elements throughout the Contract period. Subrecipient will also enter all Ryan White eligible services in Provide Enterprise for the Ryan White program, this includes all data on clients receiving services

providing using RWHAP not just funded services. Subrecipient will participate in all periodic and ongoing Data Improvement activities required by DSHS and County.

e. When state or federal funds are involved, any authorized representatives of the local, state or federal government have the right, at all reasonable times, to inspect or otherwise evaluate the work performed or being performed and the premises in which it is being performed. Subrecipient will participate in and provide reasonable access to facilities for assisting said representatives. All inspections and evaluations will be performed in such a manner as will not unduly delay the work.

f. County payment to Subrecipient does not stop the County from determining that certain costs were ineligible for reimbursement or that Program Income was not spent in accordance with this Contract. If the County determines that a cost the County has paid for is ineligible for reimbursement, the Subrecipient will refund the ineligible amount to the County. Additionally, the County may withhold payment to the Subrecipient in order to:

1. Recoup reimbursement for ineligible expenditures;
2. Recoup ineligible use of Program Income; and
3. Assure Subrecipient compliance with County's reporting requirements, program objectives, or other requirements relating to the Subrecipient's performance under this Contract.

The County reserves the right to redistribute and reallocate funds when necessary.

g. An audit must be completed if required by 2 CFR Part 200.500-520 and or 45 CFR Part 75.501-520. If the guidance does not require a single audit, the Subrecipient will notify County in writing.

h. The subrecipient must submit a Final FY 2024-2025 State Services Annual Progress Report no later than 30 days following the end of grant period.

16. PARTICIPANT RECORDS

a. Subrecipient grants County, DSHS, the Inspector General, the Comptroller General of the United States, or any of their duly authorized representatives, the right of timely and unrestricted access to any books, documents, papers, or other records of Subrecipient pertinent to the Contract, in order to make audit, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access by County fiscal and program personnel for the purpose of reviewing, interviewing, evaluating and monitoring related to such documents. This right includes access to records of for-profit enterprises owned by the Subrecipient and collocated with the non-profit in the same building.

b. County retains the right of access to Subrecipient's records or the right to obtain copies of said records for audit, litigation, or other circumstances that may arise. If this Contract is terminated during the Contract term, County may provide written notice to the Subrecipient requesting that the clients receiving services under this Contract have their cases and copies of

their records transferred to another Subrecipient. Upon receiving such notice from County, the Subrecipient will take all necessary and reasonable steps to obtain the written consent of the clients for transfer of their cases. The client's case and records will be transferred to another Subrecipient only with client's written consent. Any disclosure or transfer of records will conform to the confidentiality provisions of this Contract.

c. Subrecipient will have written policies and procedures that address the organization, content, compilation, storage, dissemination, transport and accessibility of client records.

d. These documents will be maintained and retained by the Subrecipient in accordance with state and federal retention schedules. If any litigation, claim, or audit involving these records begins before the retention period expires, the Subrecipient will retain the records and documents in accordance with state and federal retention schedule or until litigation, claims, or audit findings are resolved, whichever is later.

17. EQUIPMENT AND SUPPLIES

a. Subrecipient will purchase and maintain any equipment and supplies procured under this Contract in conformity with applicable federal and state laws, regulations, and rules affecting the purchase of these items with Grant funds. All equipment shall be acquired and paid for within the first ninety (90) days of the Grant start date. Failure to purchase equipment will result in loss of availability of funds for the purchase of equipment.

b. "Equipment" means controlled assets or an article of nonexpendable, tangible personal property having a useful lifetime of more than one year with an acquisition cost of \$5,000.00 or more. "Controlled assets" regardless of the acquisition cost, are defined as desktop and laptop computers, non-portable printers and copiers, emergency management equipment, communication devices and systems, medical and laboratory equipment, and media equipment. If Subrecipient uses a cost reimbursement payment method for purchase of equipment, then it shall inventory all equipment. Subrecipient shall initiate in the first quarter of the Contract the purchase of all equipment approved in writing. Failure to timely initiate the purchase of equipment may result in the loss of availability of funds for the purchase of equipment. Requests to purchase previously approved equipment after the first quarter of the Contract will be submitted to the HIV Administrative Agency Manager. If seeking reimbursement for equipment purchases, Subrecipient must receive prior approval for equipment purchases.

c. The Subrecipient will maintain, repair, and protect equipment in order to assure its full availability and usefulness. Subrecipient will insure all equipment at its replacement value against any loss, destruction or damage. In the event the Subrecipient is indemnified, insured, reimbursed, or otherwise compensated for any loss of, destruction of, or damage to the equipment provided under this Contract, it will use the proceeds solely for the repair or replacement of this equipment.

d. Subrecipient will attach a detailed, cumulative listing of equipment inventory to Subrecipient's final request for Grant payment. If there have never been any equipment purchases paid for by funds from the County, Subrecipient will attach a statement to that effect. Subrecipient's final billing for each Grant will not be accepted if this inventory or statement is not attached. Additionally, failure to include the inventory listing or statement may result in an audit finding on Subrecipient's monitoring review and/or delay of reimbursement. Audit findings may cause termination of Contract for cause or suspension of payment of funds.

e. The Subrecipient will execute any necessary documents to transfer title of any equipment purchased with funds from this Contract to either the County, or any other party

designated by the County; provided, however, that the County may at its option and to the extent allowed by law, transfer title of such property to the Subrecipient.

f. For the purposes of the contract, Subrecipient may not use funds to make cash payments to intended recipients of service; to purchase a building or facility; or to improve a building or other facility.

18. CONFIDENTIALITY

Subrecipient will maintain a system to protect client records and other Contract records deemed confidential by law from inappropriate disclosure. This system will encompass mechanisms for the protection and confidentiality of all paper and electronic records. b. Tarrant County approves and pays payment requests within thirty (30) days of receipt of a complete request. Errors in the payment request, including insufficient documentation, may result in payment delays. It is the responsibility of the Subrecipient to submit a complete and accurate payment request.

c. Subrecipient will submit complete monthly payment requests through Provide Enterprise within 22 days following the end of each month. If the 22nd falls on a weekend or holiday, the deadline for the payment request is extended to no later than 5:00 pm Central Time

the first weekday immediately following the weekend or holiday. A final close-out bill may be submitted no later than fifteen (15) days following the end of the contract term. Payment requests should be submitted in Provide, and signature pages submitted to the Administrative Agency. To be considered a complete request, the following must be included:

- Cover page signed by the Subrecipient's authorized signatory
- Provide Enterprise reimbursement requests

The timesheets must demonstrate time and effort. They must be supported by daily activity logs which reflect time spent on each grant.
- Cost-Based Reimbursement Monthly Expense Report

Payment requests will be reviewed to assure compliance with approved budget, federal cost principles, and contract goals.

d. Subrecipient shall enter client eligibility data into Provide Enterprise within twenty-four (24) hours of conducting eligibility and enter service delivery data into Provide Enterprise within five (5) business days of providing the service.

e. Subrecipient agrees that administrative costs will not exceed the amount listed on the Scope of Work, described in **Attachment 1**.

f. Subrecipient understands that acceptance of funds directly under the Contract or indirectly through a Subcontract under the Contract acts as acceptance of the authority of any county, state, or federal entity providing the funds to conduct an audit or investigation in connection with those funds. Entities with the authority to conduct an audit or investigation include, but are not limited to, the Tarrant County Auditor's Office (TCAO), the Texas State Auditor's Office (SAO), or any successor agency to these entities. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the TCAO or SAO must provide the TCAO or SAO with access to any information the TCAO or SAO considers relevant to the investigation or audit. Subrecipient agrees to cooperate fully with the TCAO, SAO, or its successor in the conduct of the audit or investigation, including providing all records requested. Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by Subrecipient through Subrecipient and the requirement to cooperate is included in any Subcontract it awards.

g. Independent Single or Program-Specific Audit. If Subrecipient within Subrecipient's fiscal year, expends a total amount of at least **SEVEN HUNDRED FIFTY THOUSAND DOLLARS (\$750,000)** in federal funds awarded, Subrecipient shall have a single audit or program-specific audit in accordance with the 45 CFR 75.501(a). The \$750,000 federal threshold amount includes federal funds passed through by way of state agency awards. If Subrecipient, within Subrecipient's fiscal year, expends a total amount of at least \$750,000 in state funds awarded, Subrecipient must have a single audit or program-specific audit in accordance with the Uniform Grant Management Standards (UGMS), State of Texas Single Audit Circular. For-profit Subrecipient whose expenditures meet or exceed the federal or state expenditure thresholds stated above shall follow the guidelines in 2 CFR 200 or UGMS, as

applicable, for their program-specific audits. The HHSC Office of Inspector General (OIG) will notify Subrecipient to complete the Single Audit Status Registration Form. If Subrecipient fails to complete the Single Audit Status Form within thirty (30) calendar days after notification by OIG to do so, Subrecipient shall be subject to Tarrant County sanctions and remedies for non-compliance with this Contract. The audit must be conducted by an independent certified public accountant and in accordance with applicable OMB Circulars, Government Auditing Standards, and UGMS. Subrecipient shall procure audit services in compliance with this section, state procurement procedures, as well as with the provisions of UGMS.

h. Within thirty (30) calendar days of receipt of the audit reports required by the Independent Single or Program-Specific Audit section, Subrecipient shall submit copies to the following:

- (i) Tarrant County
Auditor's Office
100 E. Weatherford – RM 506A

23. TERMINATION

a. Unless otherwise provided for, this Contract may be terminated by either of the parties by providing written notice to the other party at least thirty (30) days prior to the intended date of termination. Termination under these circumstances does not nullify a reimbursable cost incurred for performance prior to the date of termination.

b. This Contract may be terminated by the County in the event that federal or state laws or other requirements should be amended or judicially interpreted so as to render continued fulfillment of this Contract, on the part of either party, impossible. If the parties cannot amend the Contract to continue the services required by this Contract, then, upon written notification by the County to Subrecipient, the parties will be discharged from any further obligations created under the terms of this Contract, except for the equitable settlement of the accrued costs prior to the date of termination.

24. PERSONNEL

a. All personnel funded by this Contract must be employees of Subrecipient, which is solely responsible for the employees' direction and control. Subrecipient's staff will possess education, credentials and work experience specified within the job description, and will meet the minimum standards set forth by the local Standards of Care. Any personnel who have direct contact with clients will undergo criminal background checks prior to such direct contact. Subrecipient shall not permit any person who engaged in or was alleged to have engaged in an activity subject to reporting under this section to perform direct client services or have direct

contact with clients. Employee positions that become vacant and that remain vacant for ninety (90) days will result in a return of funds.

b. Each personnel file will contain the following:

It is expressly understood and agreed that enforcement of the terms and conditions of this Contract, and all rights of action relating to such enforcement, will be strictly reserved to the parties, and nothing contained in this Contract will give or allow any claim or right of action whatsoever by any other person not a party to this Contract. This Contract shall be interpreted under the laws of the State of Texas. The venue for any lawsuit arising out of this Contract will be the Fort Worth Division of the Northern District of Texas if the lawsuit arises in Federal Court; or Tarrant County, Texas if the matter arises in State Court.

27. CONTRACT COMPLIANCE

County may withhold funds or terminate this Contract upon thirty (30) calendar days written notice to the Subrecipient for non-compliance with Contract terms. Non-compliance occurs when a discrepancy is found between the actual delivery of services and what the Contract requires, including the Contract's administrative requirements.

28. GRIEVANCE

Subrecipient agrees to maintain a client grievance procedure that delineates procedures for clients to seek redress for grievances with Subrecipient. The grievance procedure will be prominently displayed on Subrecipient's premises and will state that partial funding for the Subrecipient comes from Grants administered by Tarrant County, Texas. Subrecipient will inform clients that grievances may be presented to Tarrant County HIV Administrative Agency after all remedies with Subrecipient have been exhausted.

In providing the services required by this Agreement, Subrecipient must observe and comply with all applicable federal, state, and local statutes, ordinances, rules, and regulations, including, without limitation, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, and non-discrimination laws and regulations. Grantee's misrepresentation in any aspect including, but not limited to, of Grantee's Solicitation Application, if any, or Grantee's addition to the SAM exclusion list (identification in SAM as an excluded entity) may also constitute a material breach of the Grant Agreement.
 - ii. Failure to Maintain Financial Viability**
The System Agency may terminate the Grant Agreement if the System Agency, in its sole discretion, determines that Grantee no longer maintains the financial viability required to complete the services and deliverables, or otherwise fully perform its responsibilities under the Grant Agreement.
- B. System Agency will specify the effective date of such termination in the notice to Grantee. If no effective date is specified, the Grant Agreement will terminate on the date of the notification.

9.4 GRANTEE RESPONSIBILITY FOR SYSTEM AGENCY'S TERMINATION COSTS

If the System Agency terminates the Grant Agreement for cause, the Grantee shall be responsible to the System Agency for all costs incurred by the System Agency and the State of Texas to replace the Grantee. These costs include, but are not limited to, the costs of procuring a substitute grantee and the cost of any claim or litigation attributable to Grantee's failure to perform any work in accordance with the terms of the Grant Agreement.

9.5 INHERENTLY RELIGIOUS ACTIVITIES

Grantee may not use grant funding to engage in inherently religious activities, such as proselytizing, scripture study, or worship. Grantees may engage in inherently religious activities; however, these activities must be separate in time or location from the grant-funded program. Moreover, grantees must not compel program beneficiaries to participate in inherently religious activities. These requirements apply to all grantees, not just faith-based organizations.

9.6 POLITICAL ACTIVITIES

Grant funds cannot be used for the following activities:

- A. Grantees and their relevant sub-grantees or subcontractors are prohibited from using grant funds directly or indirectly for political purposes, including lobbying, advocating for legislation, campaigning for, endorsing, contributing to, or otherwise supporting political candidates or parties, and voter registration campaigns. Grantees may use private, or non-System Agency money or contributions for political purposes but may not charge to, or be reimbursed from, System Agency contracts or grants for the costs of such activities.
- B. Grant-funded employees may not use official authority or influence to achieve any political purpose and grant funds cannot be used for the salary, benefits, or any other compensation of an elected official.
- C. Grant funds may not be used to employ, in any capacity, a person who is required by Chapter 305 of the Texas Government Code to register as a lobbyist. Additionally, grant funds cannot be used to pay membership dues to an organization that partially or wholly pays the salary of a person who is required by Chapter 305 of the Texas Government Code to register as a lobbyist.
- D. As applicable, Grantee will comply with 31 USC § 1352, relating to the limitation on use of appropriated funds to influence certain Federal contracting and financial transactions.

ARTICLE X. INDEMNITY

10.1 GENERAL INDEMNITY

- A. GRANTEE SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND SYSTEM AGENCY, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEYS' FEES, AND EXPENSES ARISING OUT OF OR RESULTING FROM ANY ACTS OR OMISSIONS OF GRANTEE OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE GRANT AGREEMENT AND ANY PURCHASE ORDERS ISSUED UNDER THE GRANT AGREEMENT.**
- B. THIS PARAGRAPH IS NOT INTENDED TO AND WILL NOT BE CONSTRUED TO REQUIRE GRANTEE TO INDEMNIFY OR HOLD HARMLESS THE STATE OR THE SYSTEM AGENCY FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENT ACTS OR OMISSIONS OF THE SYSTEM AGENCY OR ITS EMPLOYEES.**
- C. FOR THE AVOIDANCE OF DOUBT, SYSTEM AGENCY SHALL NOT INDEMNIFY GRANTEE OR ANY OTHER ENTITY UNDER THE GRANT**

AGREEMENT.

10.2 INTELLECTUAL PROPERTY

GRANTEE SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE SYSTEM AGENCY AND THE STATE OF TEXAS FROM AND AGAINST ANY AND ALL CLAIMS, VIOLATIONS, MISAPPROPRIATIONS, OR INFRINGEMENT OF ANY PATENT, TRADEMARK, COPYRIGHT, TRADE SECRET, OR OTHER INTELLECTUAL PROPERTY RIGHTS AND/OR OTHER INTANGIBLE PROPERTY, PUBLICITY OR PRIVACY RIGHTS, AND/OR IN CONNECTION WITH OR ARISING FROM:

- A. GRANTEE AND SYSTEM AGENCY AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY INDEMNITY CLAIM. GRANTEE SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE, INCLUDING ATTORNEYS' FEES.**
- B. THE DEFENSE SHALL BE COORDINATED BY THE GRANTEE WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND GRANTEE MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL.**
- C. GRANTEE SHALL REIMBURSE SYSTEM AGENCY AND THE STATE OF TEXAS FOR ANY CLAIMS, DAMAGES, COSTS, EXPENSES OR OTHER AMOUNTS, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND COURT COSTS, ARISING FROM ANY SUCH CLAIM. IF THE SYSTEM AGENCY DETERMINES THAT A CONFLICT EXISTS BETWEEN ITS INTERESTS AND THOSE OF GRANTEE OR IF SYSTEM AGENCY IS REQUIRED BY APPLICABLE LAW TO SELECT SEPARATE COUNSEL, SYSTEM AGENCY WILL BE PERMITTED TO SELECT SEPARATE COUNSEL AND GRANTEE SHALL PAY ALL REASONABLE COSTS OF SYSTEM AGENCY'S COUNSEL.**

ARTICLE XI. GENERAL PROVISIONS

11.1 AMENDMENTS

Except as otherwise expressly provided, the Grant Agreement may only be amended by a written Amendment executed by both Parties.

11.2 NO QUANTITY GUARANTEES

The System Agency makes no guarantee of volume or usage of work under this Grant

Agreement. All work requested may be on an irregular and as needed basis throughout the Grant Agreement term.

11.3 CHILD ABUSE REPORTING REQUIREMENTS

- A. Grantees shall comply with child abuse and neglect reporting requirements in Texas Family Code Chapter 261. This section is in addition to and does not supersede any other legal obligation of the Grantee to report child abuse.
- B. Grantee shall use the Texas Abuse Hotline Website located at <https://www.txabusehotline.org/Login/Default.aspx> as required by the System Agency. Grantee shall retain reporting documentation on site and make it available for inspection by the System Agency.

11.4 CERTIFICATION OF MEETING OR EXCEEDING TOBACCO-FREE WORKPLACE POLICY MINIMUM STANDARDS

- A. Grantee certifies that it has adopted and enforces a Tobacco-Free Workplace Policy that meets or exceeds all of the following minimum standards of:
 - i. Prohibiting the use of all forms of tobacco products, including but not limited to cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff and chewing tobacco;
 - ii. Designating the property to which this Policy applies as a "designated area," which must at least comprise all buildings and structures where activities funded under this Grant Agreement are taking place, as well as Grantee owned, leased, or controlled sidewalks, parking lots, walkways, and attached parking structures immediately adjacent to this designated area;
 - iii. Applying to all employees and visitors in this designated area; and
 - iv. Providing for or referring its employees to tobacco use cessation services.
- B. If Grantee cannot meet these minimum standards, it must obtain a waiver from the System Agency.

11.5 INSURANCE AND BONDS

Unless otherwise specified in this Contract, Grantee shall acquire and maintain, for the duration of this Contract, insurance coverage necessary to ensure proper fulfillment of this Contract and potential liabilities thereunder with financially sound and reputable insurers licensed by the Texas Department of Insurance, in the type and amount customarily carried within the industry as determined by the System Agency. Grantee shall provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Grantee shall secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Grantee must produce renewal certificates for each type of coverage. In addition, if required by System Agency, Grantee must obtain and have on file a blanket fidelity bond that indemnifies System Agency against the loss or theft of any grant funds, including applicable matching funds. The fidelity bond must cover the entirety of the grant term and any subsequent renewals. The failure of Grantee to comply with these requirements may subject Grantee to remedial or corrective actions detailed in section 10.1, General Indemnity, above.

These and all other insurance requirements under the Grant apply to both Grantee and its

Subcontractors, if any. Grantee is responsible for ensuring its Subcontractors' compliance with all requirements.

11.6 LIMITATION ON AUTHORITY

- A. Grantee shall not have any authority to act for or on behalf of the System Agency or the State of Texas except as expressly provided for in the Grant Agreement; no other authority, power, or use is granted or implied. Grantee may not incur any debt, obligation, expense, or liability of any kind on behalf of System Agency or the State of Texas.
- B. Grantee may not rely upon implied authority and is not granted authority under the Grant Agreement to:
 - i. Make public policy on behalf of the System Agency;
 - ii. Promulgate, amend, or disregard administrative regulations or program policy decisions made by State and federal agencies responsible for administration of a System Agency program; or
 - iii. Unilaterally communicate or negotiate with any federal or state agency or the Texas Legislature on behalf of the System Agency regarding System Agency programs or the Grant Agreement. However, upon System Agency request and with reasonable notice from System Agency to the Grantee, the Grantee shall assist the System Agency in communications and negotiations regarding the Work under the Grant Agreement with state and federal governments.

11.7 CHANGE IN LAWS AND COMPLIANCE WITH LAWS

Grantee shall comply with all laws, regulations, requirements, and guidelines applicable to a Grantee providing services and products required by the Grant Agreement to the State of Texas, as these laws, regulations, requirements, and guidelines currently exist and as amended throughout the term of the Grant Agreement. Notwithstanding Section 11.1, Amendments, above, System Agency reserves the right, in its sole discretion, to unilaterally amend the Grant Agreement to incorporate any modifications necessary for System Agency's compliance, as an agency of the State of Texas, with all applicable state and federal laws, regulations, requirements and guidelines.

11.8 SUBCONTRACTORS

Grantee may not subcontract any or all of the Work and/or obligations under the Grant Agreement without prior written approval of the System Agency. Subcontracts, if any, entered into by the Grantee shall be in writing and be subject to the requirements of the Grant Agreement. Should Grantee subcontract any of the services required in the Grant Agreement, Grantee expressly understands and acknowledges System Agency is in no manner liable to any subcontractor(s) of Grantee. In no event shall this provision relieve Grantee of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Grant Agreement.

11.9 PERMITTING AND LICENSURE

At Grantee's sole expense, Grantee shall procure and maintain for the duration of this Grant Agreement any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Grantee to provide the goods or services required by this Grant Agreement. Grantee shall be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. Grantee shall be responsible for payment of any such government obligations not paid by its Subcontractors during performance of this Grant Agreement.

11.10 INDEPENDENT CONTRACTOR

Grantee and Grantee's employees, representatives, agents, Subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under the Grant Agreement. Neither Grantee nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. The Grantee is not a "governmental body" solely by virtue of this Grant Agreement or receipt of grant funds under this Grant Agreement. Grantee shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Grant Agreement shall not create any joint venture, partnership, agency, or employment relationship between Grantee and System Agency.

11.11 GOVERNING LAW AND VENUE

The Grant Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Grant Agreement is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

11.12 SEVERABILITY

If any provision contained in this Grant Agreement is held to be unenforceable by a court of law or equity, such construction will not affect the legality, validity, or enforceability of any other provision or provisions of this Grant Agreement. It is the intent and agreement of the Parties this Grant Agreement shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal and enforceable and that achieves the same objective. All other provisions of this Grant Agreement will continue in full force and effect.

11.13 SURVIVABILITY

Expiration or termination of the Grant Agreement for any reason does not release Grantee from any liability or obligation set forth in the Grant Agreement that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Grant Agreement, including without limitation the provisions regarding return of grant funds, audit requirements, records retention, public information, warranty, indemnification, confidentiality, and rights and remedies upon termination.

11.14 FORCE MAJEURE

Neither Grantee nor System Agency shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Grant Agreement caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

11.15 NO IMPLIED WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Grantee which is in violation or breach of the terms of the Grant Agreement shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

11.16 FUNDING DISCLAIMERS AND LABELING

- A. Grantee shall not use System Agency's name or refer to System Agency directly or indirectly in any media appearance, public service announcement, or disclosure relating to this Grant Agreement including any promotional material without first obtaining written consent from System Agency. The foregoing prohibition includes, without limitation, the placement of banners, pop-up ads, or other advertisements promoting Grantee's or a third party's products, services, workshops, trainings, or other commercial offerings on any website portal or internet-based service or software application hosted or managed by Grantee. This does not limit the Grantee's responsibility to comply with obligations related to the Texas Public Information Act or Texas Open Meetings Act.
- B. In general, no publication (including websites, reports, projects, etc.) may convey System Agency's recognition or endorsement of the Grantee's project without prior written approval from System Agency. Publications funded in part or wholly by HHS grant funding must include a statement that "HHS and neither any of its components operate, control, are responsible for, or necessarily endorse, this publication (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided)" at HHS's request.

11.17 MEDIA RELEASES

- A. Grantee shall not use System Agency's name, logo, or other likeness in any press release, marketing material or other announcement without System Agency's prior written approval. System Agency does not endorse any vendor, commodity, or service. Grantee is not authorized to make or participate in any media releases or public announcements pertaining to this Grant Agreement or the Services to which they relate without System Agency's prior written consent, and then only in accordance with explicit written instruction from System Agency.
- B. Grantee may publish, at its sole expense, results of Grantee performance under the Grant Agreement with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

11.18 PROHIBITION ON NON-COMPETE RESTRICTIONS

Grantee shall not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements, that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

11.19 SOVEREIGN IMMUNITY

Nothing in the Grant Agreement will be construed as a waiver of the System Agency's or the State's sovereign immunity. This Grant Agreement shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Grant Agreement or under applicable law shall not constitute

a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Grant Agreement or by its conduct prior to or subsequent to entering into the Grant Agreement.

11.20 ENTIRE CONTRACT AND MODIFICATION

The Grant Agreement constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Grant Agreement will be harmonized with this Grant Agreement to the extent possible.

11.21 COUNTERPARTS

This Grant Agreement may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Grant Agreement.

11.22 PROPER AUTHORITY

Each Party represents and warrants that the person executing this Grant Agreement on its behalf has full power and authority to enter into this Grant Agreement.

11.23 E-VERIFY PROGRAM

Grantee certifies that it utilizes and will continue to utilize the U.S. Department of Homeland Security's E-Verify system to determine the eligibility of:

- A. all persons employed to perform duties within Texas during the term of the Grant Agreement; and
- B. all persons, (including subcontractors) assigned by the Grantee to perform work pursuant to the Grant Agreement within the United States of America.

11.24 CIVIL RIGHTS

- A. Grantee agrees to comply with state and federal anti-discrimination laws, including:
 - i. Title VI of the Civil Rights Act of 1964 (42 U.S.C. §2000d et seq.);
 - ii. Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794);
 - iii. Americans with Disabilities Act of 1990 (42 U.S.C. §12101 et seq.);
 - iv. Age Discrimination Act of 1975 (42 U.S.C. §§6101-6107);

 - vi. Food and Nutrition Act of 2008 (7 U.S.C. §2011 et seq.); and
 - vii. The System Agency's administrative rules, as set forth in the Texas Administrative Code, to the extent applicable to this Grant Agreement.
- B. Grantee agrees to comply with all amendments to the above-referenced laws, and all requirements imposed by the regulations issued pursuant to these laws. These laws provide in part that no persons in the United States may, on the grounds of race, color, national origin, sex, age, disability, political beliefs, or religion, be excluded from participation in or denied any aid, care, service or other benefits provided by Federal or State funding, or otherwise be subjected to discrimination.
- C. Grantee agrees to comply with Title VI of the Civil Rights Act of 1964, and its implementing regulations at 45 C.F.R. Part 80 or 7 C.F.R. Part 15, prohibiting a contractor from adopting and implementing policies and procedures that exclude or have the effect of excluding or limiting the participation of clients in its programs, benefits, or activities on the basis of national origin. State and federal civil rights laws require

contractors to provide alternative methods for ensuring access to services for applicants and recipients who cannot express themselves fluently in English. Grantee agrees to take reasonable steps to provide services and information, both orally and in writing, in appropriate languages other than English, in order to ensure that persons with limited English proficiency are effectively informed and can have meaningful access to programs, benefits, and activities.

- D. Grantee agrees to post applicable civil rights posters in areas open to the public informing clients of their civil rights and including contact information for the HHS Civil Rights Office. The posters are available on the HHS website at:
<https://hhs.texas.gov/about-hhs/your-rights/civil-rights-office/civil-rights-posters>
- E. Grantee agrees to comply with Executive Order 13279, and its implementing regulations at 45 C.F.R. Part 87 or 7 C.F.R. Part 16. These provide in part that any organization that participates in programs funded by direct financial assistance from the United States Department of Agriculture or the United States Department of Health and Human Services shall not discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.
- F. Upon request, Grantee shall provide HHSC's Civil Rights Office with copies of the Grantee's civil rights policies and procedures.
- G. Grantee must notify HHSC's Civil Rights Office of any complaints of discrimination received relating to its performance under this Grant Agreement. This notice must be delivered no more than ten (10) calendar days after receipt of a complaint. Notice provided pursuant to this section must be directed to:

These include, but are not limited to, standards for documentation and communication of data models, metadata, and other data definition methods that are required by HHS for ongoing data governance, strategic portfolio analysis, interoperability planning, and valuation of HHS System data assets.

11.26 DISCLOSURE OF LITIGATION

- A. The Grantee must disclose in writing to the contract manager assigned to this Grant Agreement any material civil or criminal litigation or indictment either threatened or pending involving the Grantee. "Threatened litigation" as used herein shall include governmental investigations and civil investigative demands. "Litigation" as used herein shall include administrative enforcement actions brought by governmental agencies. The Grantee must also disclose any material litigation threatened or pending involving Subcontractors, consultants, and/or lobbyists. For purposes of this section, "material" refers, but is not limited, to any action or pending action that a reasonable person knowledgeable in the applicable industry would consider relevant to the Work under the Grant Agreement or any development such a person would want to be aware of in order to stay fully apprised of the total mix of information relevant to the Work, together with any litigation threatened or pending that may result in a substantial change in the

§ **AMENDED BUSINESS ASSOCIATE AGREEMENT**

COUNTY OF TARRANT §

This Business Associate Agreement (“BA Agreement”) is between Tarrant County, Texas, (“COUNTY”), and **Tarrant County Preventive Medicine Clinic** (“Business Associate”), for the purpose of complying with the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), the Standards for Privacy of Individually Identifiable Health Information (the “Privacy Rule”), and the Standards for Security of Electronic Protected Health Information (the “Security Rule”) promulgated thereunder, and the Health Information Technology for Economic and Clinical Health Act (Division A, Title XIII and Division B, Title IV, of the American Recovery and Reinvestment Act of 2009, Pub. L 111-5) (the “HITECH Act”), and the regulations implementing the HITECH Act and other applicable law with regard to the provision of services to Tarrant County.

Business Associate and COUNTY are engaged in a business relationship whereby Business Associate provides certain services to COUNTY (“Business Relationship”).

As part of this Business Relationship, Business Associate performs or assists in performing a function or activity on behalf of COUNTY that involves the use and/or disclosure of Protected Health Information (as defined in 45 CFR § 164.501).

1. Definitions

“Covered Entity” shall generally have the same meaning as the term “covered entity” at 45 CFR § 160.103, and in reference to the party to this agreement shall mean the COUNTY.

“Business Associate” shall generally have the same meaning as the term “business associate” at 45 CFR § 160.103, and in reference to the party to this agreement, shall mean **Tarrant County Preventive Medicine Clinic**.

Terms used but not otherwise defined in the BA Agreement shall have the same meaning given to such terms in HIPAA, the HITECH Act, or any implementing regulations promulgated thereunder, including but not limited to the Privacy Rule and the Security Rule.

2. Purpose

Business Associate has a legal and ethical responsibility to safeguard the privacy of individuals and protect the confidentiality of their health information. Business Associate may hear things that relate to Protected Health Information, or read or see computer or paper files containing confidential or Protected Health Information, even though Business Associate may not be directly involved in providing services. Business Associate may create documents containing Protected Health Information if directed to do so by COUNTY. Because Business Associate may have contact with Protected Health Information, COUNTY requests that Business Associate agrees to the following as a condition of Business Associate’s assignment.

3. Permitted Uses and Disclosures by Business Associate

Except as otherwise limited in the Business Relationship or this BA Agreement, Business Associate may:

- 3.1 use and/or disclose Protected Health Information to perform functions, activities, or services for or on behalf of COUNTY, provided that such use and/or disclosure,
 - (a) would not violate the Privacy Rule if done by COUNTY;
 - (b) is reasonably limited to the minimum necessary information to accomplish the intended purpose of the use or disclosure;
 - (c) is in compliance with each applicable requirement of 45 CFR § 164.504(e);
 - (d) is in compliance with the HITECH Act and its implementing regulations;
- 3.2 use or disclose Protected Health Information as required by law;
- 3.3 use Protected Health Information for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate;
- 3.4 use Protected Health Information to provide Data Aggregation services relating to the health care operations of COUNTY.

All other uses and/or disclosures not authorized by the Business Relationship or this BA Agreement are prohibited.

- 3.5 Business Associate agrees to use and disclose confidential information only in the following manner:
 - (a) Business Associate will provide core medical and support services to eligible patients.
 - (b) Business Associate will maintain referral relationships as specified in the Community Subrecipient Contract.

4. Responsibilities of Business Associate

With regard to the use and/or disclosure of Protected Health Information, Business Associate agrees:

- 4.1 not to use and/or disclose Protected Health Information other than as permitted or required by the Business Relationship or this BA Agreement or as Required by Law;
- 4.2 to use appropriate safeguards to prevent the use and/or disclosure of Protected Health Information other than as provided for by the Business Relationship or this BA Agreement;

- 4.3** to protect any Protected Health Information taken off-site from COUNTY from disclosure to others, and to return all Protected Health Information in any form to COUNTY or destroy such Protected Health Information in a manner that renders it unreadable and unusable by anyone else, if COUNTY agrees to the destruction;
- 4.4** to comply with the Security Rule provisions set forth in 45 CFR Part 164, Subpart C, including provisions relating to Security Standards General Rules (45 CFR § 164.306), Administrative Safeguards (45 CFR § 164.308), Physical Safeguards (45 CFR § 164.310), Technical Safeguards (45 CFR § 164.312), Organizational Requirements (45 CFR § 164.314) and Policies and Documentation (45 CFR § 164.316), and to implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the Electronic Protected Health Information Business Associate creates, receives, maintains, or transmits on behalf of COUNTY.
- 4.5** to report to COUNTY any Security Incident of which it becomes aware within 2 business days, and to report any potential Breach of Unsecured Protected Health Information within 2 business days of discovery. Any such report shall include the identification of each individual whose Unsecured Protected Health Information has been, or is reasonably believed by Business Associate to have been accessed, acquired, used or disclosed during any such Security Incident or potential Breach. Any such report shall also include all other information known to Business Associate at the time of the report (such as the type of Protected Health Information involved in the event, the nature of the information, etc.) or promptly thereafter as such other information becomes available;
- 4.6** to notify COUNTY in writing within 2 business days of any use and/or disclosure of Protected Health Information that is not provided for by the Business Relationship or this BA Agreement;
- 4.7** to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this BA Agreement, or as the result of any Security Incident or potential Breach, using mitigation actions that are disclosed to COUNTY in advance and authorized by COUNTY, all at the sole cost and expense of Business Associate;
- 4.8** to work cooperatively with COUNTY in connection with COUNTY's investigation of any potential Breach and in connection with any notices COUNTY determines are required as a result, and to refrain from giving any notice itself unless COUNTY expressly agrees in advance and in writing to Business Associate giving notice and to the form, content and method of delivery of such notice, all at the sole cost and expense of Business Associate;
- 4.9** to ensure that all agents and/or subcontractors that create, receive, maintain or transmit Protected Health Information on behalf of Business Associate agree in writing to the same restrictions and conditions that apply to Business Associate with respect to such Protected Health Information;

- 4.10** to provide access (at the request of, and in the time and manner designated by COUNTY) to Protected Health Information in a Designated Record Set to COUNTY or, as directed by COUNTY, to an Individual in order to meet the requirements under 45 CFR § 164.524 and to notify COUNTY of any requests for access it receives from an individual within 2 business days of receipt;

SUBJECT: Pilot Program for Enhancement of Employee Whistleblower Protection

Congress has enacted many whistleblower protection statutes to encourage employees to report fraud, waste, and abuse. You should be aware that the latest whistleblower protection statutes went into effect on July 1, 2013. The statute, 41 U.S.C. § 4712, applies to all employees working for contractors, grantees, subcontractors, and subgrantees on federal grants and contracts. The National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2013 (Pub. L. 112-239, enacted January 2, 2013) mandates a pilot program entitled "Pilot Program for Enhancement of Contractor Employee Whistleblower Protections." This program requires all grantees, their subgrantees, and subcontractors to:

1. Inform their employees working on any federal award they are subject to the whistleblower rights and remedies of the pilot program;
2. Inform their employees in writing of employee whistleblower protections under 41 U.S.C. § 4712 in the predominant native language of the workforce; and,
3. Contractors and grantees will include such requirements in any agreement made with a subcontractor or subgrantee.

The statute (41 U.S.C. § 4712) states that an "employee of a contractor, subcontractor, grantee [or subgrantee] may not be discharged, demoted, or otherwise discriminated against as a reprisal for "whistleblowing." In addition, whistleblower protections cannot be waived by any agreement, policy, form, or condition of employment.

Whistleblowing is defined as making a disclosure "that the employee reasonably believes is evidence of any of the following:

- Gross mismanagement of a federal contract or grant;
- A gross waste of federal funds;

- An abuse of authority relating to a federal contract or grant;
- A substantial and specific danger to public health or safety; or
- A violation of law, rule, or regulation related to a federal contract or grant (including the competition for, or negotiation of, a contract or grant).

To qualify under the statute, the employee's disclosure must be made to:

- A Member of Congress, or a representative of a Congressional committee;
- An Inspector General;
- The Government Accountability Office;
- A federal employee responsible for contract or grant oversight or management at the relevant agency;
- An official from the Department of Justice, or other law enforcement agency;
- A court or grand jury; or
- A management official or other employee of the contractor, subcontractor, grantee, or subgrantee who has the responsibility to investigate, discover, or address misconduct.

The requirement to comply with, and inform all employees of, the "Pilot Program for Enhancement of Contract Employee Whistleblower Protections" is in effect for all grants, contracts, subgrants, and subcontracts issued beginning July 1, 2013 through January 1, 2017.
