BACKGROUND

On June 20, 2023, the Commissioners Court, through Court Order #141134, awarded Bid No. 2023-147, Annual Contract for Erosion Control, Hydromulch Services, and Materials, Countywide, to the following vendors at the per unit price:

Primary	Justin Seed Company, Inc.	Sections 4, 5, and 6
	Guaranteed Hydromulch, LLC	Section 3

The awards were based upon low bid meeting specifications and contained options to renew for two (2) additional twelve (12) month periods.

Erosion control measures may be required for internal county projects to meet requirements set by the Texas Commission on Environmental Quality. These measures are utilized for County projects that disturb one (1) acre or more of land and discharge stormwater to surface waters of Texas.

The vendors notified Purchasing in writing that their prices will remain firm through June 19, 2025. Transportation Services notified Purchasing in writing that they are pleased with the vendors and want to renew.

Therefore, it is the joint recommendation of Transportation Services and Purchasing that the Commissioners Court approval renewal of Bid No. 2023-147, Annual Contract for Erosion Control, Hydromulch Services, and Materials, for another twelve (12) month period.
