With approval, TCPH will work with the Graduate Medical Education Family Medicine Residency Program at BSW to place Family Medicine residents in various TCPH divisions. The term of this agreement begins when fully executed and will remain in effect through June 30, 2028. There are no costs associated with this agreement. This agreement may be terminated by either party upon written notice to the other party ninety (90) days prior to termination.

The Criminal District Attorney's Office has reviewed this agreement as to form.
