**COMMISSIONERS COURT ACTION REQUESTED**

It is requested that the Commissioners Court approve an Interlocal Agreement (ILA) between Tarrant County and the City of Westlake for providing Environmental Health Inspection Services by the Tarrant County Public Health Department (TCPH).

**BACKGROUND**

The TCPH Environmental Health Division (EHD) conducts environmental health inspections in the unincorporated regions of Tarrant County. In addition, TCPH EHD, under approved ILA's, conducts inspections on behalf of thirty (30) cities, and DFW airport. These inspections are of businesses and vendors who offer food for public consumption, and/or pools for public use.

On August 1, 2023, the Commissioners Court, through Court Order #141339, adopted the current Texas Health and Safety Codes, Chapters 437, 437A, and 438 as local regulations and revised fee schedule.

This ILA, with the City of Westlake, includes both Food and Pool inspections with the newest Codes taken into consideration and includes a new Environmental Health Fee Schedule approved by the Court.

With the approval of this ILA, TCPH will continue Food Establishment and Public Swimming Pool Inspection Program Services for the City of Westlake.

**FISCAL IMPACT**

Approval of this Interlocal Agreement will have no impact to the County's general Fund. All revenue will be placed in the 22300 Public Health Consumer Health Fund.
