Contract Number HHS000285100013**

Dear Honorable Judge Tim O'Hare:

The Texas Department of Family and Protective Services (DFPS) must comply with federal regulations by conducting an annual review of your Title IV-E contract which includes the following contract actions:

- Identifying the budget to be used for the new contract period. This may include obtaining and approving a revised budget or confirmation of the continued use of the currently approved budget; and
- Obtaining a current Form 4734 Federal Funding Accountability and Transparency Act (FFATA) Certification.

Attached are the documents required to be updated annually:

1. Budget Form 2030CLIVE
 - o Required to be returned if changes are needed to your currently approved budget. Complete and return the updated budget form and the associated budget narrative to support the projected expenditures.
 - o If a revised budget is not necessary, indicate in your return correspondence that the budget will remain as previously submitted.
If your county claims an indirect cost rate, return a copy of your agency's current approved indirect cost rate certification.
2. FFATA Certification Form 4734.
3. Internal Control Structure Questionnaire: DFPS must assess whether a contractor has accounting systems and procedures in place to reduce incidents of fiscal errors and/or reduce the opportunity for dishonesty. DFPS - Regional CPS Contracting Forms
