**SUBJECT: BID NO. F2024084 - REPLACEMENT OF RESOURCE  
CONNECTION FUEL STORAGE TANK - RESOURCE  
CONNECTION**

## **COMMISSIONERS COURT ACTION REQUESTED**

It is requested that the Commissioners Court reject all bids for Bid No. F2024084, Replacement of Resource Connection Fuel Storage Tank, and grant permission to rebid with revised specifications.

## **BACKGROUND**

Notice of the County's intent to bid was advertised in local newspapers, as required by State statute, posted on the Internet, the Arlington Black Chamber of Commerce, the Fort Worth Hispanic Chamber of Commerce, the Fort Worth Metropolitan Black Chamber of Commerce, and the Tarrant County Asian American Chamber of Commerce. Two hundred sixty-two (262) vendors were contacted and requested to participate in this bid process. All documents pertaining to this bid were posted on the Tarrant County website and were downloaded by interested bidders. A pre-bid conference held on March 21, 2024 was attended by two (2) vendors as well as representatives from Facilities Management and Purchasing. Two (2) bids were received.

After review of the submitted bids, it was determined that there were flaws in the quality of the bid and that assumptions would have to be made to present an award recommendation.

The purpose of this contract is to replace the current aboveground fuel storage tank.

Therefore, it is the joint recommendation of Resource Connection and Purchasing that the Commissioners Court reject all bids received for Bid No. F2024084, Replacement of Resource Connection Fuel Storage Tank, and grant permission to rebid with revised specifications.

## **FISCAL IMPACT**
