

GENERAL PLAT NOTES:

UTILITY EASEMENTS:

Any public utility, including the City of Fort Worth, shall have the right to move and keep moved all or part of any building, fence, tree, shrub, other growth or improvement which in any way endangers or interferes with the construction, maintenance, or efficiency of its respective systems on any of the easements shown on the plat; and they shall have the right at all times to ingress and egress upon said easements for the purpose of construction, reconstruction, inspection, patrolling, maintaining, and adding to or removing all or parts of its respective systems without the necessity at any time of procuring the permission of anyone.

CONSTRUCTION PROHIBITS OVER EASEMENTS:

No permanent buildings or structures shall be constructed over any existing or platted water, sanitary sewer, drainage, gas, electric, cable or other utility easement of any type.

SIDEWALKS:

Sidewalks are required adjacent to both sides of all public and private streets, in conformance with the Sidewalk Policy per "City Development Design Standards".

COVENANTS OR RESTRICTIONS ARE UN-ALTERED:

This Replat does not vacate the previous "Plat of Record" governing the remainder of the subdivision, nor does it amend or remove any deed covenants or restrictions.

TARRANT COUNTY STANDARD PLAT NOTES:

- Development in unincorporated Tarrant County shall be subject to applicable municipal regulations, the current Tarrant County Subdivision and Land Use Regulations and the Tarrant County Fire Code.
- Tarrant County permits required prior to development within this subdivision, as applicable, include, but are not limited to, construction within the public rights-of-way, driveway access to public roads, development within a designated floodplain, salvage yards, stormwater mitigation, and on-site sewage systems.
- All drainage easements shall be kept clear of fences, buildings, foundations, plantings, and other obstructions to the operation and maintenance of the drainage facility.
- The siting and construction of water wells shall be subject to the regulations of the Northern Trinity Groundwater Conservation District.
- Any existing creek, stream, river or drainage channel traversing along or across portions of this addition will remain unobstructed at all times and will be maintained by the adjacent property owner, or the Home Owners Association, if applicable. The County will not be responsible for the maintenance, erosion control, and/or operation of said drainage ways. The home owners shall keep the adjacent drainage ways traversing their property clean and free of debris, silt or other substances which would result in unsanitary conditions, and the County shall have the right of entry for the purposes of inspecting maintenance work by the property owners. The drainage ways are occasionally subject to storm water overflow damages resulting from the storm water overflow and/or bank erosion that cannot be identified. The County shall not be liable for any damages resulting from the occurrence of these phenomena, nor the failure of any structures within the drainage ways. The drainage way crossing each lot is contained within the floodplain/drainage easement line as shown on the plat.
- Tarrant County shall not be responsible for the maintenance of private streets, drives, emergency access easements, recreation areas, and open spaces; and the owners shall be responsible for the maintenance of private streets, drives, emergency access easements, recreation areas, and open spaces, and said owners agree to indemnify and save harmless Tarrant County from all claims, damages, and losses arising out of or resulting from performance of the obligations of said owners set forth in this paragraph.
- Tarrant County does not enforce subdivision deed restrictions.
- Land owners and subsequent owners of lots or parcels within this subdivision are encouraged to contact Tarrant County's Transportation Services Department prior to conducting any development activities.
