**COMMISSIONERS COURT ACTION REQUESTED**

It is requested that the Commissioners Court approve an Interlocal Agreement (ILA) between Tarrant County and the City of Southlake for the provision of Tarrant County Public Health (TCPH) Environmental Health Inspection Services.

**BACKGROUND**

The TCPH Environmental Health Division (EHD) conducts environmental health inspections in the unincorporated regions of Tarrant County. In addition, TCPH EHD, under approved ILA's, conducts inspections on behalf of thirty (30) cities and DFW airport. These inspections are of businesses and vendors who offer food for public consumption, and/or pools for public use.

On August 1, 2023, the Commissioners Court, through Court Order #141339, adopted the current Texas Health and Safety Codes, Chapters 437, 437A and 438 as local regulations and a revised fee schedule.

This ILA with the City of Southlake includes both Food and Pool inspections with the newest Codes taken into consideration and includes a new Environmental Health Fee Schedule approved by the Court.

With approval of this ILA, TCPH will continue Food Establishment and Public Swimming Pool Inspection Program Services for the City of Southlake.

The Criminal District Attorney's Office has reviewed this document as to form.

**FISCAL IMPACT**

All revenue will be placed in the 22300 Public Health Consumer Health Fund.
