FORM 1295**

PROVIDER acknowledges and agrees that it has fully, accurately, and completely disclosed all interested parties in the Form 1295 electronically filed with the Texas Ethics Commission, at <https://www.ethics.state.tx.us/filinginfo/1295/>, as required by law, and that the attached signed copy attached as Exhibit "B" is a full and true copy of said filed form.

**9.  
GOVERNMENT CODE COMPLIANCE**

PROVIDER verifies that it does not boycott Israel and will not boycott Israel during the term of this contract. The term "boycott Israel" is defined by Texas Government Code Section 808.001, effective September 1, 2017. PROVIDER further verifies that it is not engaged in business with Iran, Sudan, or any foreign terrorist organization. The term "foreign terrorist organization" means an organization designated as a foreign terrorist organization by the United States Secretary of State as authorized by 8 U.S.C. Section 1189. PROVIDER further represents and warrants that it does not appear on any of the Texas Comptroller's Scrutinized Companies Lists. In accordance with Section 2274.002 of the Texas Government Code, PROVIDER certifies that it does not boycott energy companies and will not boycott energy companies during the term of this contract. The term "boycott energy" is defined by Texas Government Code Section 809.001(1), effective September 1, 2021, and means, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company: (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with

a company described by subsection (A). In accordance with Section 2274.002 of the Texas Government Code PROVIDER certifies that it does not discriminate against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this contract. Discrimination against a firearm entity or trade association is defined by Texas Government Code Section 2274.001(3), effective September 1, 2021, and means, with respect to the entity or association, to: (i) refuse to engage in the trade of any goods or services with the entity or association based solely on its status as a firearm entity or firearm trade association; (ii) refrain from continuing an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; or (iii) terminate an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; the term does not include: (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories; and (ii) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship: (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency; or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association.

**10.**  
**COMPLIANCE WITH LAWS.**

In providing the services required by this Agreement, PROVIDER must observe and comply with all applicable federal, state, and local statutes, ordinances, rules, and regulations, including, without limitation, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, and non-discrimination laws and regulations. PROVIDER shall be responsible for ensuring its compliance with any laws and regulations applicable to its business, including maintaining any necessary licenses and permits.

**11.**

**RE: Tarrant County Corrections Center Generator & ATS Replacements**

Dear Joshua,

We appreciate the opportunity to offer our proposal to provide the architectural, structural, mechanical and electrical design for the referenced project as we discussed in your office on October 10, 2023 and subsequent emails and phone conversations since then. The project consists of providing the design for masonry, structural, HVAC, plumbing, fire protection, lighting, and power to replace two existing 1000kW diesel generators, associated automatic transfer switches and add dockings stations at the Tarrant County Corrections Center in Fort Worth, Texas. Architectural design will be provided by Elements of Architecture and cost estimating by Riddle & Goodnight, Inc.

Our fee proposal makes the following assumptions:

- We understand that the entire project will be designed at one time; no phasing of design has been included.
- Our scope includes any demolition and reconstruction of the existing exterior wall around the louvers to allow space to remove the existing generators and insert the new generators and other electrical equipment.
- Our proposal includes evaluation of the existing ductwork, louvers, fueling equipment and piping and design as required for new louvers, ductwork, piping, pumps and day tanks within the generator room
- Our proposal includes performing an arc flash study for the existing electrical distribution of the building, providing an updated electrical one-line diagram for the building distribution and providing floorplans showing existing electrical equipment locations. The arc flash study assumes time by electricians to verify existing electrical conditions is not included in this proposal but that the County's contract electricians will aid as required in determining existing conductor sizes and circuit breaker information.
- Our scope does not include sound system design, audio/visual system design, security system wiring, telephone system wiring design, nor data system wiring design. Rough-in conduits will be designed as defined by the Owner.
- Included as part of our base proposal are three coordination meetings during the design of the project. We have not included regularly scheduled design review meetings with the Owner and/or Design Team as a part of our base fee.
- We cannot be responsible for equipment delivery that affects construction schedules.
- Our fee proposal is based upon producing the Contract Documents using AutoCAD.
- Construction Administration:

- Review and response to contractor’s request for information (RFIs) during bidding and construction.
- Review of submittals and determine compliance of shop drawings for the items required by the construction documents related to the MEP design requirements.
  - Maximum of two submittal reviews per specification division section. The assumption is that a single manufacturer will be reviewed. Additional submissions and reviews (either beyond two or with varying manufacturers) will be additional services.
  - 10 business days to review each submittal. Expedited reviews will be performed as additional services.
- Eight site visits during construction for the purpose of reviewing work completed. Site visits by subconsultants and non-electrical disciplines will be limited to three site visits each.
  - A written field report of our observations shall be submitted for each visit.
  - If additional trips are required, it will be considered additional services and billed at the hourly rates identified in the general conditions.
- The following items are not included in our basic services:
  - Energy Modeling, i.e. for IECC or ASHRAE compliance.
  - Commissioning of the mechanical or electrical Systems.

We propose to provide the structural, mechanical and electrical engineering and architectural design for the referenced project in sufficient detail to receive construction bids from subcontractors and in sufficient detail to install the systems in accordance with applicable codes. Deliverables will include original drawings (CADD Plots) and specifications prepared for binding separately. Drawings will be sealed by a Registered/Licensed Professional Engineer. Architectural drawings will be sealed by a state registered architecture at Elements of Architecture.

The design will be in accordance with criteria and guidance received from you. Criteria will also include the following:

1. One copy of Owner-approved floor plans and site plan in AutoCAD format.

In consideration for the scope described above we propose the following stipulated sum fees:

|                             |                |
|-----------------------------|----------------|
| Design Services             | \$260,150      |
| Cost Estimating             | \$2,850        |
| Bidding/Negotiation         | \$7,000        |
| Construction Administration | \$60,000       |
| Reimbursables               | <u>\$1,000</u> |
| Total Fee                   | \$331,000      |

Invoices will be forwarded to your office based upon the percentage of design completed during each billing period and will be due upon receipt of each invoice. Stipulated sum includes cost of long-distance telephone calls, telephone faxes and mailing costs. Stipulated sum includes travel expenses for travel to the project site, but does not include reproduction expenses, other than single copy originals for final drawings. Travel expenses, plotting and reproduction expenses, other than those identified above will not be incurred without your prior approval, at which point these expenses will be payable under the same conditions as the stipulated sum.

Compensation to BHB for the basic services shall be as described in the agreement. If BHB sees the Scope of Services Changing so that additional services are needed, BHB will notify the client for approval before proceeding. Additional Services shall be computed based on the BHB hourly rate schedule as shown below:

|   |                |

| Engineering Services – PE               | \$ 140.00 /hr. |
| Engineering Services – EIT              | \$ 105.00 /hr. |
| Design Services – Senior Designer       | \$ 140.00 /hr. |
| Design Services – Designer              | \$ 105.00 /hr. |
| CAD / Drafting Services                 | \$ 70.00 /hr.  |
| Clerical Services                       | \$ 70.00 /hr.  |

We will consider receipt of a P.O. number from the County as our notice to proceed. Thank you for the opportunity to work with you on this project.

Sincerely,

**BAIRD, HAMPTON & BROWN, INC.**
