Re: Auditor's Report – County Clerk, FY2023 Review of Registry of the Court Accounts

As required by Local Government Code, we performed an audit of the registry funds held by the County Clerk as of September 30, 2023. The objective of our audit was to determine whether the registry account balances shown on the attached financial statements were materially correct. We also determined whether collateral held jointly by the County Clerk and the depository was adequate. In our opinion, the County Clerk's registry account balances shown on the attached financial statements are presented fairly, in all material respects.

We observed closed cases with small balances that appear to be abandoned and should be escheated in accordance with the Texas Property Code. County Clerk staff is currently working through the closed cases to determine the appropriate disposition of the account balances. No additional recommendation is required at this time. We also communicated other less significant matters identified during our review.

During fiscal year 2023, the County Clerk's Office presented 2,517 checks totaling \$16,288,333.63 for the auditor's review, approval, and countersignature in accordance with Local Government Code. Of the 2,517 checks, 15 checks totaling \$28,613.48 were rejected for reasons including an incorrect payee or incorrect case fee. The County Clerk's Office voided and reissued all 15 checks.

We appreciate the cooperation of the County Clerk's staff during this audit. If you have any questions, please do not hesitate to call.

Sincerely,

Kimberly M Buchanan, CPA
Tarrant County Auditor
