Re: Remaining Funds from 2021 Transportation Bond Program

Dear Commissioner Brooks:

The City of Benbrook thanks you, Mr. Abbas Rastandeh, and the Freese and Nichols team for making the 2021 Transportation Bond Program a great success. The City was able to reclaim portions of two heavily travelled collector streets, Timbercreek Road and Westpark Drive, that will serve Benbrook residents for many years.

As the cost of these two reclamation projects came in significantly under budget, the City seeks to use the remaining allocated funds from the Bond Program, approximately \$225,000, to reclaim a portion of Chapin Road from near Westerly Road to Williams Road. (Figure 1) The project includes reconstruction of the intersection of Chapin Road and Williams Road. The estimated construction cost for this project is \$464,000.

Thank you for your consideration of this project and for all you do for the citizens of Benbrook and Tarrant County.

If you have any questions, please contact me at 817-249-6063 or bhowell@benbrook-tx.gov.

Sincerely,
