

To the Tarrant County Commissioners Court,

We request the use of The Thomas R. Windham Building specifically the Tarrant County Jail on March 18th, 2020. AMS Pictures is filming a Johnny Cash Documentary for REELZ Network. We are focusing on his prison reform. We are collecting B-ROLL footage and archival footage plates. We would need to be on premise from 7:30am - 2:30pm. There aren't any special effects just a few vague scene to cover the interviews we have received. Last week, we interviewed a prison guard who was at Johnny's famous concert at Folsom Prison. We were able to interview at San Quentin! We will use prison cells, different backdrops of maybe the phones, old walls with the yellow prison bars in the background. We will have minimal gear and equipment. This isn't a hollywood production.

Thank you for your consideration.
