COMMUNITY SUBRECIPIENT CONTRACT

1. BACKGROUND

Tarrant County, Texas ("County") has received a grant (the "Grant") from the Health Resources and Services Administration (HRSA) of the Department of Health and Human Services to help fund the provision of HIV services in the community; and

The County Judge designated Tarrant County as the Administrative Agency in charge of distribution of Grant proceeds; and

Tarrant County Hospital District ("Subrecipient", also known as "Contractor" in the Texas Health and Human Services Commission HHSC Uniform Terms and Conditions, which are attached hereto and incorporated herein) is an organization in Tarrant County, Texas, that provides HIV/AIDS community services and has requested an award of Grant proceeds from the County to support it in providing these services; and

County, acting by the Commissioners Court of Tarrant County, agrees to provide Subrecipient funds from the Grant, to the extent available, in an amount not to exceed **\$236,124.00** in exchange for Subrecipient's agreement to provide HIV/AIDS community services based upon certain terms and conditions.

Therefore, County and Subrecipient enter into the following Community Subrecipient Contract (the "Contract") based upon the following terms and conditions.

2. SCOPE OF WORK

Subrecipient will perform the Scope of Work described in **Attachment 1, A1-2020009**. On receipt of this Contract, Subrecipient will begin and complete the work within the Contract term. Subrecipient will provide services in accordance with Ryan White HIV Program Services: Eligible Individuals and Allowable Use of Funds Policy Clarification Notice #16-02. 3. TERM

The term of this Contract is from **March 1, 2020 to February 28, 2021**.

4. AMENDMENTS

This Contract may not be amended without written agreement. However, Subrecipient may move up to 10% of allocated funds within any budget category without written approval of County, except for Equipment or Indirect Cost budget line items, if the movement is consistent with the budget in **Attachment 1**. In order to move any amount over and above a cumulative total of 10% of allocated funds within any budget category, Subrecipient will request the reallocation in writing to County.

The Subrecipient will submit a revised budget narrative to the Administrative Agency prior to the submission of the Subrecipient's first monthly billing to the County following the movement of funds between budget line items.

If the Subrecipient fails to achieve contracted outcome objectives and expenditures (see Policy

PM.001.002, Expenditure Monitoring, Units and Clients), the County may require the return of funds with reallocation or redistribution to other entities.

5. SEVERABILITY

If a court construes a provision of this Contract illegal or invalid, that construction will not affect the balance of the Contract, and the court will delete the illegal or invalid provision, with all other provisions of the Contract to remain in force and effect.

Multiple cost centers may be used, provided the total cost in each of the cost centers equals and supports the reimbursement amount and the total cost reported to Tarrant County. A cost center is defined as a unique series of general ledger accounts established for the purpose of accumulating and categorizing expenses related to a specific cost objective. Each cost center will have a unique revenue account(s) that captures all income generated from these activities performed under a specific cost center.  - d. Program income may be expended on any allowable Ryan White core medical or support service category, clinical quality services, or administrative costs as part of a comprehensive system of care for individuals living with HIV.  - f. Subrecipient will submit a 340b spending/allocation plan to the Administrative Agency within thirty (30) days of Contract execution.

10. PAYER OF LAST RESORT

- a. Prior to billing the County, Subrecipient will have an on-going system to verify clients' eligibility for payment by Medicaid/Medicare or private insurance. The County will have the right to withhold all or part of any payments otherwise due in order to reconcile third party, Medicaid/Medicare or insurance reimbursable expenses inappropriately billed to the County.
- b. Subrecipient will assure that reasonable efforts are made to secure non-RWHAP funds whenever possible for services to individual clients.

11. ALLOWABLE COST

Tarrant County will reimburse the allowable costs incurred in performing the Project that are sufficiently documented. Subrecipient must have incurred a cost prior to claiming reimbursement and within the applicable term to be eligible for reimbursement under this Contract. Tarrant County will determine whether costs submitted by Subrecipient are allowable and eligible for reimbursement. If Tarrant County has paid funds to Subrecipient for unallowable or ineligible costs, Tarrant County will notify Subrecipient in writing, and Subrecipient shall return the funds to Tarrant County within thirty (30) calendar days of the date of this written notice. Tarrant County may withhold all or part of any payments to Subrecipient to offset reimbursement for any unallowable or ineligible expenditure that Subrecipient has not refunded to Tarrant County, or if financial status report(s) required are not submitted by the due date(s). Tarrant County may take repayment (recoup) from funds available under this Contract in amounts necessary to fulfill Subrecipient's repayment obligations.

Subrecipient will participate in and provide reasonable access to facilities for assisting said representatives. All inspections and evaluations will be performed in such a manner as will not unduly delay the work.

f. County payment to Subrecipient does not stop the County from determining that certain costs were ineligible for reimbursement or that Program Income was not spent in accordance with this Contract. If the County determines that a cost the County has paid for is ineligible for reimbursement, the Subrecipient will refund the ineligible amount to the County. Additionally, the County may withhold payment to the Subrecipient in order to:

1. Recoup reimbursement for ineligible expenditures;
2. Recoup ineligible use of Program Income; and
3. Assure Subrecipient compliance with County's reporting requirements, program objectives, or other requirements relating to the Subrecipient's performance under this Contract.

The County reserves the right to redistribute and reallocate funds when necessary.

g. An audit must be completed if required by 2 CFR Part 200.500-520 and or 45 CFR Part 75.501-520. If the guidance does not require a single audit, the Subrecipient will notify County in writing.

h. The subrecipient must submit a Final FY 2020-2021 Part A Annual Progress Report no later than 90 days after the budget period end date consistent with reporting guidelines.

15. PARTICIPANT RECORDS

a. Subrecipient grants County, HRSA, the Inspector General, the Comptroller General of the United States, or any of their duly authorized representatives, the right of timely and unrestricted access to any books, documents, papers, or other records of Subrecipient pertinent to the Contract, in order to make audit, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access by County fiscal and program personnel for the purpose of reviewing, interviewing, evaluating and monitoring related to such documents. This right includes access to records of for-profit enterprises owned by the Subrecipient and collocated with the non-profit in the same building.

b. County retains the right of access to Subrecipient's records or the right to obtain copies of said records for audit, litigation, or other circumstances that may arise. If this Contract is terminated during the Contract term, County may provide written notice to the Subrecipient requesting that the clients receiving services under this Contract have their cases and copies of their records transferred to another Subrecipient. Upon receiving such notice from County, the Subrecipient will take all necessary and reasonable steps to obtain the written consent of the clients for transfer of their cases. The client's case and records will be transferred to another Subrecipient only with client's written consent. Any disclosure or transfer of records will conform to the confidentiality provisions of this Contract.

c. Subrecipient will have written policies and procedures that address the organization, content, compilation, storage, dissemination, transport and accessibility of client records.

d. These documents will be maintained and retained by the Subrecipient in accordance with state and federal retention schedules. If any litigation, claim, or audit involving these records begins before the retention period expires, the Subrecipient will retain the records and documents in accordance with state and federal retention schedule or until litigation, claims, or audit findings are resolved, whichever is later.

16. EQUIPMENT AND SUPPLIES

a. Subrecipient will purchase and maintain any equipment and supplies procured under this Contract in conformity with applicable federal and state laws, regulations, and rules affecting the purchase of these items with Grant funds. All equipment shall be acquired and paid for within the first ninety (90) days of the Grant start date. Failure to purchase equipment will result in loss of availability of funds for the purchase of equipment.

b. Controlled assets, according to Uniform Grants Management Standards (UGMS), generally includes electronic equipment and has a value between \$500 and <\$5,000 and must be maintained in Subrecipient's inventory system. Controlled assets are considered Supplies.

Equipment must be pre-authorized and received within the contract term. The Equipment budget category must be used for these transactions.

c. The Subrecipient will maintain, repair, and protect equipment in order to assure its full availability and usefulness. Subrecipient will insure all equipment at its replacement value against any loss, destruction or damage. In the event the Subrecipient is indemnified, insured, reimbursed, or otherwise compensated for any loss of, destruction of, or damage to the equipment provided under this Contract, it will use the proceeds solely for the repair or replacement of this equipment.

d. Subrecipient will attach a detailed, cumulative listing of equipment inventory to Subrecipient's final request for Grant payment. If there have never been any equipment purchases paid for by funds from the County, Subrecipient will attach a statement to that effect. Subrecipient's final billing for each Grant will not be accepted if this inventory or statement is not attached. Additionally, failure to include the inventory listing or statement may result in an audit finding on Subrecipient's monitoring review and/or delay of reimbursement. Audit findings may cause termination of Contract for cause or suspension of payment of funds.

e. The Subrecipient will execute any necessary documents to transfer title of any equipment purchased with funds from this Contract to either the County, or any other party designated by the County; provided, however, that the County may at its option and to the extent allowed by law, transfer title of such property to the Subrecipient.

17. CONFIDENTIALITY

Subrecipient will maintain a system to protect client records and other Contract records deemed confidential by law from inappropriate disclosure. This system will encompass mechanisms for the protection and confidentiality of all paper and electronic records. Any disclosure of confidential client information by the Subrecipient, including information required by Section 15, will be in accordance with applicable law.

18. QUALITY MANAGEMENT

a. The Subrecipient will implement and maintain a Quality Management program which complies with HRSA Clinical Quality Management Policy Clarification Notice #15-02. The Ryan White program requires the establishment of a clinical quality management (CQM) program that assesses the extent to which care and services provided are consistent with federal, state, and local standards of HIV/AIDS care and services, and develops strategies for ensuring that such services are consistent guidelines for improving access to, and quality of HIV Service. The Subrecipient will:

Provide Enterprise is the data collection system for performance measure data to demonstrate health outcomes. The two (2) performance measures which apply to all funded service categories are annual retention in care and viral load suppression.

19. TERMS AND CONDITIONS OF PAYMENT

c. Subrecipient will submit complete monthly reimbursement requests through Provide Enterprise within 22 days following the end of each month. If the 22nd falls on a weekend or holiday, the deadline for the reimbursement request is extended to no later than 5:00 pm Central Time the first weekday immediately following the weekend or holiday. If Subrecipient is a drug reimbursement agency or a medical provider that dispenses medication, Subrecipient assures that drug costs are based on

the average wholesale price ("AWP") or, when available, the Public Health Services price, whichever is less expensive. Failure to participate, or failure to plan to participate in 340B pricing within 120 days of funding will eliminate organizations from eligibility to be awarded funding in the LPAP service category.

If a Subrecipient receives 340b revenue, this is considered program income and must be spent on allowable items within the grant period. Subrecipients must create a 340b budget.

e. Subrecipient shall enter client eligibility data into Provide Enterprise within twenty-four (24) hours of conducting eligibility and enter service delivery data into Provide Enterprise within five (5) business days of providing the service.

h. Subrecipient understands that acceptance of funds directly under the Contract or indirectly through a Subcontract under the Contract acts as acceptance of the authority of any county, state, or federal entity providing the funds to conduct an audit or investigation in connection with those funds. Entities with the authority to conduct an audit or investigation include, but are not limited to, the Tarrant County Auditor's Office (TCAO), the Texas State Auditor's Office (SAO), or any successor agency to these entities. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the TCAO or SAO must provide the TCAO or SAO with access to any information the TCAO or SAO considers relevant to the investigation or audit. Subrecipient agrees to cooperate fully with the TCAO, SAO, or its successor in the conduct of the audit or investigation, including providing all records requested. Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by Subrecipient through Subrecipient and the requirement to cooperate is included in any Subcontract it awards.

21. TERMINATION

a. Unless otherwise provided for, this Contract may be terminated by either of the parties by providing written notice to the other party at least thirty (30) days prior to the intended date of termination. Termination under these circumstances does not nullify a reimbursable cost incurred for performance prior to the date of termination.

b. This Contract may be terminated by the County in the event that federal or state laws or other requirements should be amended or judicially interpreted so as to render continued fulfillment of this Contract, on the part of either party, impossible. 11.11 SEVERABILITY

If any provision of the Contract is held to be illegal, invalid or unenforceable by a court of law or equity, such construction will not affect the legality, validity or enforceability of any other provision or provisions of this Contract. All other provisions of this Contract will continue in full force and effect.

11.12 SURVIVABILITY

Expiration or termination of the Contract for any reason does not release Contractor from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

11.13 FORCE MAJEURE

Neither Contractor nor System Agency shall be liable to the other for any delay in, or failure of performance of, any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

Government Code. Compliance by the Contractor with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

- B. The contested case process provided in Chapter 2260 is the Contractor's sole and exclusive process for seeking a remedy for an alleged breach of contract by the System Agency if the Parties are unable to resolve their disputes as described above.
- C. Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the System Agency, the Contractor shall continue performance and shall not be excused from performance during the period of any breach of contract claim or while the dispute is pending. However, the Contractor may suspend performance during the pendency of such claim or dispute if the Contractor has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

11.15 NO IMPLIED WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Contractor which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

11.18 PROHIBITION ON NON-COMPETE RESTRICTIONS

11.19 SOVEREIGN IMMUNITY

Nothing in the Contract shall be construed as a waiver of the System Agency's or the State's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Contract or by its conduct prior to or subsequent to entering into the Contract.

11.20 ENTIRE CONTRACT AND MODIFICATION

This Contract constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. FROM: Chief Grants Management Officer, HRSA
Associate Administrator, OFAM

SUBJECT: Pilot Program for Enhancement of Employee Whistleblower Protection

Congress has enacted many whistleblower protection statutes to encourage employees to report fraud, waste, and abuse. You should be aware that the latest whistleblower protection statutes went into effect on July 1, 2013. The statute, 41 U.S.C. § 4712, applies to all employees working for contractors, grantees, subcontractors, and subgrantees on federal grants and contracts. The National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2013 (Pub. L. 112-239, enacted January 2, 2013) mandates a pilot program entitled "Pilot Program for Enhancement of Contractor Employee Whistleblower Protections." This program requires all grantees, their subgrantees, and subcontractors to:

1. Inform their employees working on any federal award they are subject to the whistleblower rights and remedies of the pilot program;
2. Inform their employees in writing of employee whistleblower protections under 41 U.S.C. § 4712 in the predominant native language of the workforce; and,
3. Contractors and grantees will include such requirements in any agreement made with a subcontractor or subgrantee.

The statute (41 U.S.C. § 4712) states that an "employee of a contractor, subcontractor, grantee [or subgrantee] may not be discharged, demoted, or otherwise discriminated against as a reprisal for "whistleblowing." In addition, whistleblower protections cannot be waived by any agreement, policy, form, or condition of employment.

Whistleblowing is defined as making a disclosure "that the employee reasonably believes is evidence of any of the following:

- Gross mismanagement of a federal contract or grant;
- A gross waste of federal funds;

- An abuse of authority relating to a federal contract or grant;
- A substantial and specific danger to public health or safety; or
- A violation of law, rule, or regulation related to a federal contract or grant (including the competition for, or negotiation of, a contract or grant).

To qualify under the statute, the employee's disclosure must be made to:

- A Member of Congress, or a representative of a Congressional committee;
- An Inspector General;
- The Government Accountability Office;
- A federal employee responsible for contract or grant oversight or management at the relevant agency;
- An official from the Department of Justice, or other law enforcement agency;
- A court or grand jury; or
- A management official or other employee of the contractor, subcontractor, grantee, or subgrantee who has the responsibility to investigate, discover, or address misconduct.

The requirement to comply with, and inform all employees of, the "Pilot Program for Enhancement of Contract Employee Whistleblower Protections" is in effect for all grants, contracts, subgrants, and subcontracts issued beginning July 1, 2013 through January 1, 2017.
