DATE: 03/17/2020

SUBJECT: **APPROVAL FOR THE TARRANT COUNTY OZONE INCENTIVE PROGRAM
TO PURCHASE GIFT CARDS FOR PARTICIPATION INCENTIVES**

***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED:

It is requested that the Commissioners Court approve the purchase of gift cards for use as participation incentives for the Tarrant County Ozone Incentive Program.

BACKGROUND:

The award-winning Tarrant County Ozone Incentive Program, which began in March 2006, supports pollution reduction initiatives designed to improve our region's air quality. Improving the air quality in the Dallas/Fort Worth metroplex is an on-going effort. Tarrant County, and many other employers in the region, work in many ways to do their share to reduce vehicle emissions, a leading cause of ozone pollution. In order to expand participation in the efforts to reduce ozone pollution, incentives are offered to participating Tarrant County employees. Employee efforts are shared with the North Central Texas Council of Governments for documentation of our region's air pollution reduction activities.

With approval of this request, Tarrant County Public Health (TCPH) will purchase gift cards to use for employee incentives. The Purchasing Agent has approved this change. The program disbursement period is April 1, 2020 through December 31, 2020, with a total amount of \$1,285.00.

FISCAL IMPACT:

All associated costs will be paid from Public Health funds in 579031/T0400-2020/5100208000/Not Relevant Grant.
