SUBJECT: **APPROVAL OF A MONETARY DONATION FROM THE PUBLIC HEALTH ACTIVITIES AND SERVICES TRACKING PROJECT FOR TARRANT COUNTY PUBLIC HEALTH DEPARTMENT**

### **\*\*\* CONSENT AGENDA \*\*\***

#### **COMMISSIONERS COURT ACTION REQUESTED:**

It is requested that the Commissioners Court accept a monetary donation from the Public Health Activities and Services Tracking (PHAST) Project in the amount of \$400.00 for use by Tarrant County Public Health Department.

#### **BACKGROUND:**

PHAST is a multi-state collaboration research project funded by the Robert Wood Johnson Foundation for the purpose of facilitating evidence-based public health practice in order to promote a culture of health. The overall goal of the project is to develop standardized data collection and reporting methods in collaboration with public health practice partners.

By using a shared dashboard to input standardized measures of their activities and services, local and state health departments participating in PHAST will have access to a resulting wealth of data and information from across health departments and regions, presented in a streamlined and visual format.

On August 14, 2018, the Commissioners Court, through Court Order #128302, approved a Memorandum of Understanding (MOU) with PHAST to participate in the project.

#### **FISCAL IMPACT:**

All donated funds will be deposited into fund T5800-2020/5100101000.
