Re: Dry Creek Lane

Dear Miriam:

I have no interest in purchasing any part of the right-of-way to my far west property line. I have no objection to Mr. McCasland, the adjoining property owner to the west of the 60' right-of-way acquiring the entire length and width of the dedicated Dry Creek Lane as recorded in Tarrant County Plat Records Volume 3888-212, page 26.

Sincerely, *WT*
