RE: Use of Family Law Center Assembly Room for Tarrant County Family Law Bar Association continuing education training

Dear Mike,

Please pass this information on to whomever needs it to make a decision on allowing the TCFLBA to use the Family Law Center Assembly Room for a continuing education event for the family law judges, lawyers and other professionals who practice in Tarrant County.

The Tarrant County Family Law Bar Association is a very active organization made up of lawyers, judges, paralegals and other professionals who work with families in litigation at the Family Law Center. We are officially designated as a non-profit.

Each year we put on an abbreviated CLE conference for our members who cannot afford or couldn't attend the Annual Advanced Conference in August. Sometimes, we have extra funds come out of this event which we turn around and use for Senior Angel Tree, Toys and Christmas items for the Visitation Center, Annual BBQ lunch for all of the family court center staff, and backpacks for needy school children, to name a few.

There was some indication that we needed to pay to use the room if we made a profit on any event. We wanted to be up front that although we often make a small profit, it is for the sole purposes of charity and effectively administering our non-profit entity.

The general Tarrant County family law community benefits greatly from this event, and the judges are in favor of making it as cost effective and convenient for our members. Can you clarify that we are OK to reserve the room for this type of activity?

Thanks for your help,

Janet M. Denton, TCFLBA BOD
