Dear Mr. Amador,

Downtown Fort Worth Initiatives, Inc. ("DFWII"), producers of the GM Financial Parade of Lights, respectfully requests the support of the Tarrant County Commissioners Court for the use of several areas in and around a parade route along Weatherford Street, from Friday, November 20 through Sunday, November 20, 2022. At this point, our plans are to return to a full parade celebration this year.

In summary:

1. We respectfully request the use of the surface lot located east of Burnett Street between Weatherford and 2<sup>nd</sup> Streets for staging motorized vehicles;
2. We respectfully request access to the parking garage located on Weatherford for volunteer parking. Weatherford Street and surrounding streets close at 4:00 PM;
3. We will place portable chairs in the north parking lane of Weatherford (nothing on the sidewalks), and construct deck/chair seating on the south side of Weatherford, between Main and Commerce Streets, located only on the sidewalks. Installation begins on Saturday, and with removal following the end of the parade and possibly into Monday, affecting the south lane of parking only);
4. We would like to place portalets on the Commerce Street and Houston Street sidewalks for general public use. These will not be on county property.

Here's a tentative timeline:
