The Tarrant County Sheriff's Office Combined Narcotics Enforcement Team (CNET) respectfully requests that our Confidential Imprest Funds (CIF) authorization be raised from the current \$25,000 level to \$50,000.

CNET Investigators are conducting more investigations that target significant Drug Trafficking Organizations operating in Tarrant County. In these investigations, undercover drug purchases are more likely to be conducted in order to further criminal investigations.

It is also common that CNET Investigators will have multiple investigations being conducted at the same time and it is likely that several drug purchases will need to occur within a short time of each other. Therefore, the CIF funds on hand need to be increased in order that our criminal investigations do not have to be delayed due to lack of funds on hand.

If additional information is needed, please contact CNET Commander Trace McDonald at 682-429-0021. Thank you for your assistance in this matter.
