

**INTERLOCAL COOPERATION AGREEMENT**  
**Between**  
**THE NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS**  
**and**  
**TARRANT COUNTY**  
**for**  
**IMPLEMENTATION OF THE REGIONAL TRAFFIC SIGNAL RETIMING PROGRAM**

**WHEREAS**, the North Central Texas Council of Governments (NCTCOG) has been designated as the Metropolitan Planning Organization for the Dallas-Fort Worth Metropolitan Area by the Governor of Texas in accordance with federal law; and,

**WHEREAS**, the Regional Transportation Council (RTC), comprised primarily of local elected officials, is the regional transportation policy body associated with NCTCOG and has been and continues to be a forum for cooperative decisions on transportation; and,

**WHEREAS**, the RTC is committed to the development and implementation of policies, projects, and programs to improve air quality and reduce emissions; and,

**WHEREAS**, in December 2018, the RTC approved funding for implementation of Regional Traffic Signal Retiming Program in the Dallas-Fort Worth Metropolitan Area for the implementation of low-cost operational improvements at signalized intersections; and,

**WHEREAS**, the North Central Texas Council of Governments selected corridor(s) in the Tarrant County as part of the Regional Traffic Signal Retiming Program; and,

**WHEREAS**, the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code provides authority for the North Central Texas Council of Governments, and Tarrant County to enter into this agreement for the provision of governmental functions and services of mutual interest.

**NOW, THEREFORE**, for and in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

**1. Parties**

- 1.1 This Interlocal Agreement, hereinafter referred to as the "Agreement", is made and entered into by and between the North Central Texas Council of Governments, hereinafter referred to as "NCTCOG", and Tarrant County, hereinafter referred to as the "County". NCTCOG and the County may each be referred to as a "Party" and may be collectively referred to as "Parties" to this Agreement.
- 1.2 NCTCOG shall serve as the Contract Manager and Procurement Administrator for the Project.

**2. Purpose**

- 2.1 This Agreement defines the terms and conditions for the receipt of funds for the implementation of traffic flow improvements.

- 2.2 Improvements under this Agreement, implemented through the Regional Traffic Signal Retiming Project, as authorized by the Regional Transportation Council, shall be employed at signalized intersections in the County.
- 2.3 Improvements shall be made to locations identified in Attachment A under this Agreement.

### **3. Duties**

- 3.1 NCTCOG shall be responsible for project monitoring, Geographical Information Systems (GIS) database integration, and air quality benefit calculations and documentation.
- 3.2 NCTCOG's engineering consultant(s) will provide signal-timing improvements at the intersection locations identified in Attachment A.
- 3.3 The consultant(s) will be responsible for the following: field data collection; development, implementation, and fine-tuning of new coordinated signal timing plans; and any and all required documentation of "before" and "after" conditions.
- 3.4 NCTCOG will work with the operating agencies and NCTCOG's engineering consultant(s) to identify relevant signal timing elements/requirements at and related to the project intersections, review the developed new signal timing plan(s), approve all timing plans prior to implementation; and assist with fine tuning.

### **4. Funding**

- 4.1 Attachment A includes a project cost estimate summary.
- 4.2 The total project cost estimate for this Agreement includes estimated consultant and NCTCOG staff expenses.
- 4.3 The total project cost estimate for this Agreement is identified in Attachment A.
- 4.4 To the extent necessary, the parties will use current revenues to pay obligations in this ILA.
- 4.5 The County shall reimburse the North Central Texas Council of Governments, on a quarterly basis, in the total amount of \$1,066,000.00, as described in Attachment B, for costs incurred for services identified in this Agreement. The North Central Texas Council of Governments shall provide an invoice to the County on a quarterly basis that identifies the amount owed and a summary of the work performed during the billing period.
- 4.6 The County and NCTCOG shall coordinate in advance if the actual cost of implementation is greater than the estimated cost identified in this Agreement.

## **5. Term**

- 5.1 Until funded by the County as described in Section 4.4, this Agreement may be terminated by either party by providing written notice to the other party at least thirty (30) days prior to the intended date of termination.
- 5.2 This Agreement shall become effective upon the approval of both parties and shall expire on September 30, 2023, unless terminated as described in Section 5.1 or extended in writing and approved by both parties.

## **6. Modification, Waiver and Severability**

- 6.1 This Agreement and any exhibits, which may be attached, constitute the entire agreement among the Parties. No waiver or modification of this Agreement shall be valid unless in writing and signed by both Parties. Failure of the Parties to enforce or insist upon compliance with any of the terms and conditions of this Agreement shall not constitute a waiver or relinquishment of any such terms and conditions.
- 6.2 In the event that any one or more of the provisions of this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions thereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.
- 6.3 This Agreement may be executed in any number of counterparts, each of which shall be deemed an original.

**IN WITNESS HEREOF**, the parties hereto have executed this Agreement. This Agreement becomes effective on the day the last Party signs.
