NOTES: Award recommendations for Section 1 are based on low bid per Acre Based on Highest Application Rate. Equivalents were determined on the product's active ingredient and comparable equivalent.

*Item bid did not meet specifications because the required active chemical ingredients were not equivalent to those specified or were not in the specified percentages.

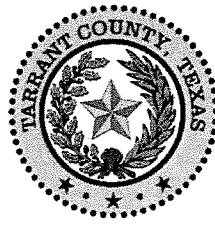

There are no awards for Section 1, Item 38 because only no-bids were received for this item. There are no awards for Section 2, Items 1-3 and 9 because only no-bids were received for these items.

There are no secondary or alternate awards for Section 1, Items 1, 2, 6-12, 14-18, 23-25, 28, 32, 37, and 39 because only no-bids were received for these items or the product was not considered equivalent. There are no secondary or alternate awards for Section 2, Items 5-8 because only one (1) bid was received.

There are no alternate awards for Section 1, Items 3, 13, 19, 20, 22, 26, 27, 33, 35 and 36 because only no-bids were received or the product was not considered equivalent.

^Tie bids received.

Reference: Recommendation for Mosquito Control Pesticides and Products Bid 2023-044

Teresa,

The Public Health Department agrees with the recommendations received from Purchasing for the Primary, Secondary and Alternate items for Mosquito Control Pesticides and Products Bid 2023-044. There were a few items that did not meet bid requirements so those have been removed from consideration. Thank you for your help with that.

Please let me know if there is anything else that you might need.

Sincerely,

Millie Robbins
