- * Refer to the table below the budget template table to verify that the amounts distributed ("Distribution Total") in each budget category equals the "Budget Total" for each respective category. Next, verify that the overall total of all distributions ("Distribution Totals") equals the Budget Total.
- * Enter the total amount of "Program Income" anticipated for this program in row "K" under the "Total Budget" column (1). The total program income budgeted will be automatically allocated to each funding source based on the percentage of funding of the total budget. SUPPLEMENTAL FORMS INSTRUCTIONS

The budget templates (two per budget category) that follow are intended to supplement cost reimbursement budgets when there are too many items to fit on the primary budget template. Applicants that have utilized all the lines on the primary budget template must use the supplemental templates to list detail information for the respective budget category. For example, after all the lines on the primary budget template for Personnel (tab labled Form I - 1 Personnel) have been used, go to the supplemental template labled "Form I - 1a Personnel Supp" and if all the lines are used on this template, go to the next template labled "Form I - 1b Personnel". The amounts on each supplemental template will automatically total and the total from both templates will automatically be inserted on the last line of the primary budget template.

The supplemental budget templates are:

-Form I-1 Personnel Supplemental -Form I-2 Travel Supplemental -Form I-3 Equipment Supplemental -Form I-4 Supplies Supplemental -Form I-5 Contractual Supplemental -Form I-6 Other Supplemental
