Date: 3-1-2023

Please find the enclosed attachments to this memo that serve as the Human Services Advisory Committee 2022 Annual Report. This report includes the attendance information, minutes, and public participation for all meetings during that period and the Committee's 2023 Objective.

The following Mission Statement approved by the Commissioners Court on April 13, 1992 is our current Mission Statement:

"The Advisory Committee shall be:

1. Advisory to the department and Commissioners Court to carry out the official mission of the department and,
2. Advisory to the department and Commissioners Court in recommending ways and means to enhance services to the low-income and disadvantaged population of the county."
