U.S. Communities and National IPA, both wholly-owned subsidiaries of OMNIA Partners, have come together as OMNIA Partners, Public Sector. All public sector participants already registered with National IPA or U.S. Communities continue to have access to all contracts, with certain exceptions, in the portfolio and do not need to re-register to use a legacy National IPA, legacy U.S. Communities, or new OMNIA Partners contract. U.S. Communities and National IPA remain separate legal entities and lead agency contracts completed under each brand are effective and available for use through the contract's approved term. In the event we believe re-registration is necessary for any reason, OMNIA Partners will let you know.

## CONTRACT PRICING CONTINUED

**vari®**

Propose the frequency of updates to the Offeror's pricing structure. Describe any proposed indices to guide price adjustments. If offering a catalog contract with discounts by category, while changes in individual pricing may change, the category discounts should not change over the term of the Contract.

Vari shall propose clear, easy and transparent pricing through the life of the contract agreement. All products shall have a 10% discount off retail pricing. Our class-leading delivery and installation costs will be available. Standard shipping shall be of no cost to the lower 48 states while Alaska and Hawaii will receive the normal FedEx posted rates.

Describe how future product introductions will be priced and align with Contract pricing proposed.

All future products that are added to the Region 4 contract agreement shall receive the same catalog discount pricing as detailed in the proposal.
