Tarrant County Juvenile Services Department
Tarrant County, Texas

Dear Members of the Tarrant County Juvenile Board:

We have performed an audit of the aggregate statement of revenues, expenditures and changes in fund balance—budget and actual—regulatory basis (the “aggregate financial statement”) of the Tarrant County Juvenile Services Department (the “TCJSD”) grant funds, for the year ended August 31, 2022, in accordance with auditing standards generally accepted in the United States of America (“generally accepted auditing standards”) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and have issued our report thereon dated February 24, 2023.

We have prepared the following comments to assist you in fulfilling your obligation to oversee the financial reporting and disclosure process for which management of the TCJSD is responsible.

This report is intended solely for the information and use of management, the Tarrant County Juvenile Board, and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

Yours truly,

Our Responsibility under Generally Accepted Auditing Standards

Our responsibility under generally accepted auditing standards has been described in our engagement letter dated September 22, 2022. As described in that letter, our responsibilities under generally accepted auditing standards include forming and expressing an opinion about whether the aggregate financial statement that have been prepared by management with the oversight of Tarrant County Juvenile Board are prepared, in all material respects, in accordance with the financial reporting provisions of the Texas Juvenile Justice Department as described in Note 1 to the aggregate financial statement. The audit of the aggregate financial statement does not relieve management or Tarrant County Juvenile Board of their responsibilities. We considered internal control relevant to the TCJSD's preparation of the aggregate financial statement in order to design audit procedures that were appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the TCJSD's internal control.

Significant Accounting Policies

The TCJSD's significant accounting policies are set forth in Note 1 to the TCJSD's 2022 aggregate financial statement. We are not aware of any significant changes in previously adopted accounting policies or their application during the year ended August 31, 2022.

We have evaluated the significant qualitative aspects of the TCJSD's accounting practices, including accounting policies, accounting estimates and aggregate financial statement disclosures and concluded that the policies are appropriate, adequately disclosed, and consistently applied by management with respect to the accounting practices prescribed by TJJD.

Accounting Estimates

None were noted.

Uncorrected Misstatements

Our audit of the aggregate financial statement was designed to obtain reasonable, rather than absolute, assurance about whether the aggregate financial statement is free of material misstatement, whether caused by error or fraud. There were no uncorrected misstatements or disclosure items passed identified during our audit.

Material Corrected Misstatements

Our audit of the aggregate financial statement was designed to obtain reasonable, rather than absolute, assurance about whether the aggregate financial statement is free of material misstatement, whether caused by error or fraud. There were no material misstatements that were brought to the attention of management as a result of our audit procedures.

Supplementary Information Included in the Aggregate Financial Statement Report

Our audit was conducted for the purpose of forming an opinion on the aggregate financial statement as a whole. The supplementary information, representing the individual grant information, is presented for purposes of additional analysis and is not required part of the aggregate financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the aggregate financial statement. The information has been subjected to the auditing procedures applied in the audit of the aggregate financial statement and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the aggregate financial statement or to the aggregate financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Disagreements with Management

We have not had any disagreements with management related to matters that are material to the TCJSD's grant funds 2022 aggregate financial statement.

Our Views about Significant Matters That Were the Subject of Consultation with Other Accountants

We are not aware of any consultations that management may have had with other accountants about auditing and accounting matters during 2022.

Significant Findings or Issues Discussed, or Subject of Correspondence, with Management prior to Our Initial Engagement or Retention as Auditors

Throughout the year, routine discussions were held, or were the subject of correspondence, with management regarding the application of accounting principles or auditing standards in connection with transactions that have occurred, transactions that are contemplated, or reassessment of current circumstances. In our judgment, such discussions or correspondence were not held in connection with our retention as auditors.

Other Significant Findings or Issues Arising from the Audit Discussed, or Subject of Correspondence, with Management

Throughout the year, routine discussions were held, or were the subject of correspondence, with management. In our judgment, such discussions or correspondence did not involve significant findings or issues requiring communication to the Tarrant County Juvenile Board.

Significant Difficulties Encountered in Performing the Audit

In our judgment, we received the full cooperation of the TCJSD's management and staff and had unrestricted access to the TCJSD's senior management in the performance of our audit.

Management's Representations

We have made specific inquiries of the TCJSD's management about the representations embodied in the aggregate financial statement. In addition, we have requested that management provide to us the written representations the TCJSD is required to provide to its independent auditors under generally accepted auditing standards. We have attached to this letter, as Appendix A, a copy of the representation letter we requested from management.

Emphasis-of-Matter Paragraphs

We have included the following emphasis-of-matter paragraphs in our audit report:

We draw attention to Note 1 of the aggregate financial statement, which describes the basis of accounting. The aggregate financial statement is prepared on the basis of the financial reporting provisions of the Texas Juvenile Justice Department, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the Texas Juvenile Justice Department. Our opinion is not modified with respect to this matter.

As discussed in Note 1, the aggregate financial statement of the TCJSD Grant Funds is intended to present the revenues earned, expenditures incurred, and changes in fund balance budget and actual of only that portion of the governmental activities, business-type activities, each major fund, and aggregate remaining fund information of Tarrant County that is attributable to the transactions of the TCJSD Grant Funds. They do not purport to, and do not, present fairly the financial position of Tarrant County, as of August 31, 2022, the changes in its financial position, or where applicable, its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.
