This Contract memorializes the agreement between the Parties regarding identification of and payment for certain Acquired Immune Deficiency Syndrome (“AIDS”) Drug Assistance Program (“ADAP”) prescriptions dispensed to Ryan White HIV/AIDS Program participants within the Ryan White Part A Transitional Grant Area (TGA) and specifies the process by which the amounts to be paid to System Agency for providing the described goods and services are determined. Reimbursement by the Local Government to the System Agency will only occur if there are unspent grant funds.

### I. **Responsibilities of the Parties**

#### A. Local Government Responsibilities

1. The Tarrant County shall review Ryan White Part A grant funds annually to determine if there are remaining unexpended funds available for ADAP purchases from System Agency.
2. If unexpended funds are available, the Tarrant County will notify System Agency of the amount of funds that are available and the expected date range of the invoice.
3. A lump sum payment will be made to System Agency within thirty (30) days of receiving a complete and accurate invoice.

#### B. System Agency Responsibilities

1. Upon notification from Local Government that there are remaining unexpended funds available:
  - a. System Agency shall provide eligible, Human Immunodeficiency Virus (“HIV”)-infected clients with formulary medications supplied by System Agency through the Texas HIV Medication Program for clients residing in the Fort Worth/Arlington TGA, which consists of Tarrant, Johnson, Parker, and Wise counties. See <http://www.dshs.texas.gov/hivstd/planning/default.shtm>, as described herein and as provided under System Agency regulations.
  - b. Eligible clients shall be participants in System Agency ADAP (see <http://www.dshs.texas.gov/hivstd/meds/faq.shtm>), and have no third-party payor for obtaining the HIV-related medications.
  - c. The project is funded by a federal grant to Local Government from the United States Public Health Service, Health Resources and Services Administration (“HRSA”) pursuant to the Ryan White Treatment Modernization Act of 2009 (Public Law 111-87), as amended, to provide direct financial assistance to qualified entities for the purpose of delivering or enhancing HIV-related: (1) outpatient and ambulatory health and support services, including case management and comprehensive medical services for individuals and families who have a member infected with HIV disease, and (2) inpatient case

management services that prevent unnecessary hospitalization or that expedite discharge, as medically appropriate, from inpatient facilities.

- d. System Agency will provide the TGA Executive Director with a final report and invoice, due sixty (60) days after the Contract term ends, detailing the number of eligible clients served in that TGA and the amount of money expended by county in that TGA. The report will describe the activities performed by System Agency under this Contract and the corresponding amount to be paid by Local Government, if any.

## II. Payee

The Parties agree that System Agency is entitled to receive payment for goods or services provided under this Contract to the extent such funds are available:

Name: Department of State Health Services  
Attn: Fiscal Department  
Address: PO Box 149347  
Austin, TX 78714-934  
Vendor Identification Number: 35375375371000

## III. Payment Method

A lump sum payment will be made to the System Agency, according to federal Public Health Service pricing (340B) in effect at the time each medication is dispensed, within ninety (90) days of the end of this Contract for the amount reflected in the System Agency invoice. **This payment should include a budget number of Fund 3802/ZZ307 EMA RW Part A Contribution on the payment as an accounting reference.** The payment is contingent on whether the Tarrant County has unexpended Ryan White Part A funds at the end of the grant year. ## IV. Billing Instructions

After receipt of said termination notice, System Agency shall stop work under this Contract the date of termination and to the extent specified in the notice of termination. Upon receipt of such notice, System Agency shall not incur new obligations and shall cancel any outstanding obligations regarding its performance duties under this Contract. Local Government will reimburse System Agency for non-cancelable obligations which were incurred prior to the termination date.

System Agency reserves the right to limit or cancel this Contract should System Agency determine that it has insufficient capacity in its information technology system(s) to maintain current levels of activities under this Contract and/or that continued activities under this Contract are detrimental to the overall efficiency and operation of System Agency's information technology systems. Any such limitation or termination of services will be upon written notice to Local Government by System Agency.
