Dear Jaimie,

I'm happy to announce that the Tarrant County Office of Historic Preservation and Archives received a grant of \$1000 to assist with the University of North Texas Digital Newspaper Program to digitize issues of *The Grapevine Sun* to share on the portal to Texas History.

Jaimi Parker submitted the request.

The Tarrant County Historical Society is thrilled to send a check for \$1000 to the Tarrant County Office of Historical Preservation and Archives. We are pleased to support these historical endeavors.

Sincerely,

Ron Tyler, Grant Chairman
