Ms. Karina Rodriguez
DFW International Airport
PO Box 619428
DFW Airport, TX 75261-9428

Re: Updated Non-Objection Letter for formerly named Allied Electronics & Automation,
now named, and referred to as RS Americas, Inc.

Dear Ms. Rodriguez:

On February 4, 2020, the Tarrant County Commissioners Court approved the original letter of Non-Objection for Foreign Trade Zone (FTZ) Designation for Allied Electronics, Inc. for a site located at 7151 Jack Newell Blvd South, Fort Worth, Texas.

Tarrant County understands that the Dallas/Fort Worth International Airport Board is the Grantee of FTZ No. 39, and that Allied Electronics & Automation (Allied) is requesting to formally update their site designation name with your office and the FTZ Board to RS Americas, Inc. As part of the process, Allied must notify all taxing entities of the name change. This letter shall serve as Tarrant County's acknowledgment that such notice has been received.

As noted in the original letter, The Commissioners Court does not object to Foreign-Trade Zone status for Allied/RS Americas Inc. at the aforementioned location.

Sincerely,

Tim O'Hare
County Judge
