**SUBJECT: PUBLIC HEARING - TO CONSIDER APPROVAL OF A NEW  
PROPERTY ACCESS AND CULVERT POLICY  
(TRANSPORTATION SERVICES)**

### **COMMISSIONERS COURT ACTION REQUESTED**

It is requested that the Commissioners Court conduct a public hearing to consider approving and adopting a new Property Access and Culvert Policy.

### **BACKGROUND**

On September 21, 2004, the Commissioners Court, through Court Order #93676, approved the current Property Access and Culvert policy to formalize the process for approving and installing property access from county rights-of-way.

The Transportation Services Department has reviewed and updated the Property Access and Culvert Policy for consideration by the Commissioners Court. The attached proposed policy better aligns with the current procedures implemented by the Transportation Services Department and Precinct field staff.

The proposed policy has been approved as to form by the Criminal District Attorney's Office. Upon adoption by the Commissioners Court, this new policy will supersede all previously adopted Property Access and Culvert policies.

### **FISCAL IMPACT**

There is no fiscal impact associated with this item.
