Re. Sole Source for Nomic Networks Outpost, IIU, Insight, and HQ

Dear Bradley Richards,

This is to confirm Nomic Networks, Inc. (Nomic) is the sole source provider for Outpost equipment with Network Cloaking™ and Collective Intelligence Network Security™. Nomic is also the sole source for monitoring and support services which are used in conjunction with the Outpost, IIU, Insight, HQ, and security services.

Nomic is the manufacturer of the Outpost and other devices, which utilize proprietary technology for which we are the sole source as well. Competition in providing Nomic products, services, and/or testing is precluded by the existence of one or more of the following; patent, trade secret, copyright, secret process, proprietary technology, or monopoly.

Thank you for your consideration.

Sincerely,

Ted Gruenloh  
Chief Executive Officer

Sentinel IPS is now Nomic Networks.

As of January 1, 2023, Sentinel IPS became Nomic Networks. We're excited to have finally made this change, but first some logistics:

- From your perspective, nothing changes: It's the same products, same people and all of your personal contacts remain the same. (Feel free to reach out to us directly; we are continuing to monitor our old email addresses through the end of the year)

The products you know and love (like the Outpost UI and Sentinel HQ) will gradually reflect the change over time. So, don't be surprised if you still see the Sentinel name and branding for a little while longer.

- To help ease you into this transition, we sent out multiple emails to our accounting and technical contacts earlier this year. If these emails ended up in your spam folder, we've got you! We've included our W-9 and a quick reference sheet with our updated banking and address information so that you can get us set up in your systems under our new name.

If you are sales tax exempt, please send your states exemption certificate to ensure you are not charged sales tax on future invoices. If we do not receive an updated certificate, you will be responsible for any taxes owed on any invoices issued this year or in the future.

If you have any questions about billing, drop us a line at [billing@nomicnetworks.com](mailto:billing@nomicnetworks.com).
