**SUBJECT: APPROVAL OF A FUNDING INTERLOCAL AGREEMENT  
WITH THE CITY OF EVERMAN RELATED TO THE 2006  
TRANSPORTATION BOND PROGRAM**

**\*\*\* CONSENT AGENDA \*\*\***

**COMMISSIONERS COURT ACTION REQUESTED**

It is requested that the Commissioners Court approve a Funding Interlocal Agreement (ILA) with the City of Everman for funding through the 2006 Transportation Bond Program (TBP) for the construction phase of the Christopher Drive Reconstruction project from Everman Parkway to Marlene Street.

**BACKGROUND**

In response to the attached funding request letter from the City of Everman, the County and the City desire to enter into a Funding ILA for financial support of up to \$97,000.00 through the 2006 TBP for the construction phase of the Christopher Drive Reconstruction project to reimburse the City for costs for construction materials and services. The labor and equipment for this project will be provided by Precinct 1 as part of a separate ILA approved by the Commissioners Court, through Court Order #137791.

With approval, this Funding ILA will allow the City to be reimbursed for previously incurred construction costs and will facilitate the timely implementation of this project, which is currently under construction. The 2006 TBP funding for this project will be provided through discretionary funds from Precinct 1.

The attached Funding ILA has been reviewed by the Auditor's Office and has been approved as to form by the Criminal District Attorney's Office. This Funding ILA has been approved and signed by the City of Everman.

**FISCAL IMPACT**

The fiscal impact to Tarrant County will be \$97,000.00 to be disbursed according to the schedule in Attachment A of the ILA. Funds are available in account 579061/47700-2022/6840100000.
