COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court designate Jaimi Parker, Tarrant County Historic Preservation & Archives Officer, as the Historic Preservation Officer for the Texas Historical Commission Certified Local Government (CLG) Program.

BACKGROUND

On November 13, 2012, the Commissioners Court, through Court Order #114122, approved participation in the CLG Program, which is a partnership between local governments, the Texas Historical Commission and the National Park Service, designed to foster historic preservation in local communities. Additionally, participation is required in order to be eligible to apply for certain grant funds for historic preservation.

The CLG program requires that the county designate a Historic Preservation Officer to carry out certain duties related to grant and program activities. Commissioners Court is requested to appoint the new Historic Preservation and Archives Officer, Jaimi Parker, as the Historic Preservation Officer for the CLG program.
