FUNDING INTERLOCAL AGREEMENT WITH THE CITY OF  
SAGINAW RELATED TO THE 2006 TRANSPORTATION BOND  
PROGRAM**

**\*\*\* CONSENT AGENDA \*\*\***

**COMMISSIONERS COURT ACTION REQUESTED**

It is requested that the Commissioners Court approve a Funding Interlocal Agreement (ILA) with the City of Saginaw for funding through the 2006 Transportation Bond Program (TBP) for the construction phase of the Old Decatur Road North Roadway Improvements.

**BACKGROUND**

In response to the attached funding request from the City of Saginaw, the County and the City desire to enter into a Funding ILA for financial support of up to \$300,000.00 through the 2006 TBP for the reconstruction of Old Decatur Road from asphalt to concrete. In addition, Old Decatur Road will be widened to five (5) lanes at the intersection with West Bailey Boswell Road and then transition to three (3) lanes for approximately 1,400 linear feet to just south of the Saginaw/Fort Worth city limit line. Other improvements will include internal storm drain and major culvert crossings, water line relocations, sanitary sewer adjustments, illumination, pavement markings and signage, and traffic signal modifications.

With approval, this Funding ILA will allow the City of Saginaw to be reimbursed for construction costs and will facilitate the timely completion of this project, which is currently under construction. The 2006 TBP funding for this project will be provided through discretionary funds from Precinct 4.

This Funding ILA is attached and has been reviewed by the Auditor's Office and approved as to form by the Criminal District Attorney's Office. In addition, this Funding ILA has been approved and signed by the City of Saginaw.

**FISCAL IMPACT**

The fiscal impact to Tarrant County related to this action will be \$300,000.00 in 2006 TBP funds to be disbursed in accordance with the schedule in Attachment A of this Funding ILA. Funds are available in Account No. 579061/47700-2023/6840100000.
