***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court approve a Funding Interlocal Agreement (ILA) with the North Central Texas Council of Government (NCTCOG) for funding through the 2006 Transportation Bond Program (TBP) for implementation of the Regional Traffic Signal Retiming Program signalization in Precinct 3.

BACKGROUND

The County and NCTCOG desire to enter into a Funding ILA for financial support of up to \$1,066,000.00 through the 2006 TBP for signalization improvements on eight (8) corridors in Precinct 3 as identified in Attachment A of the attached Funding ILA.

NCTCOG will work with the operating agencies and NCTCOG's engineering consultant(s) to identify relevant signal timing elements/requirements at and related to the project intersections, review the developed new signal timing plan(s), approve all timing plans prior to implementation, and assist with fine tuning.

The 2006 TBP funding for this project will be provided through discretionary funds from the County Judge (\$866,000.00) and Precinct 3 (\$200,000.00).

This Funding ILA is attached and has been reviewed by the Auditor's Office and approved as to form by the Criminal District Attorney's Office. The Funding ILA is still subject to approval by NCTCOG.

FISCAL IMPACT

The fiscal impact to Tarrant County related to this action will be \$1,066,000.00 in 2006 TBP funds to be disbursed in accordance with the schedule in Attachment B of this Funding ILA. Funds are available in Account No. 579061/47700-2023/6840100000.
