SUBJECT: APPROVAL OF FIRST AMENDMENT TO THE SUBRECIPIENT AGREEMENT BETWEEN TARRANT COUNTY AND UT SOUTHWESTERN MONCRIEF CANCER CENTER, D/B/A MONCRIEF CANCER INSTITUTE FOR MOBILE PREVENTATIVE CANCER SCREENINGS AS PART OF THE TARRANT COUNTY FISCAL RECOVERY FUNDS PROGRAM

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court approve the First Amendment to the Subrecipient Agreement with UT Southwestern Moncrief Cancer Center, d/b/a Moncrief Cancer Institute for mobile preventative cancer screenings as part of the Tarrant County Fiscal Recovery Funds program.

BACKGROUND

On January 18, 2022, the Commissioners Court, through Court Order #137259, approved a Subrecipient Agreement between Tarrant County and UT Southwestern Moncrief Cancer Center, d/b/a Moncrief Cancer Institute in the amount of \$9 million as part of the Tarrant County Fiscal Recovery Funds program.

Through this program, Moncrief Cancer Institute provides mobile cancer screenings and diagnostic services to unscreened patients, including historically unserved or underserved communities or individuals who delayed or have not completed a scheduled screening since the onset of the COVID-19 pandemic.

As a result of this action, funds within the original budget will be reallocated to support increased outreach efforts and to purchase a smaller mobile unit to allow greater flexibility in serving target populations. This amendment does not increase the overall award amount to UT Southwestern Moncrief Cancer Center, d/b/a Moncrief Cancer Institute.
