THE PEACE NO. 5 AND NO. 8 PRECINCTS**

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court take action concerning the redistricting of Tarrant County Justices of the Peace (JP) No. 5 and No. 8 precincts.

BACKGROUND

Judge Sergio DeLeon (JP, Precinct 5) and Judge Lisa Woodard (JP, Precinct 8) have requested that the Commissioners Court consider modifying their current precinct lines. These modifications would not affect the precinct boundaries of the other JP precincts. Judge DeLeon has provided the Court with the proposed changes and the justification for this request. That document is attached to this communication for the Court's review. Judge Woodard has agreed to these changes.

FISCAL IMPACT

There is no significant fiscal impact to this request. If approved, the Elections Department will change the affected voting districts.
