**COMMISSIONERS COURT ACTION REQUESTED**

Is it requested that the Commissioners Court grant approval to change the funding source for the Pacheco Koch Professional Services Agreement approved through Court Order No. 139418.

**BACKGROUND**

On October 11, 2022, the Commissioners Court, through Court Order #139418, approved a Professional Services Agreement with Pacheco Koch Consulting Engineers, LLC related to the Bentley Bridge Drive improvement project.

As described by that Court Order, funds in the amount of \$588,000.00 were encumbered from the Transportation Services departmental budget. It has since been determined that a portion of this Agreement should be funded through the 2021 Transportation Bond Program. Staff has coordinated with the County Judge's office and the County Judge has agreed to fund \$500,000.00 of the contract amount with 2021 discretionary transportation bond funds. Approval of this action will change the funding source accordingly.

**FISCAL IMPACT**

The fiscal impact to Tarrant County will be a change to the funding source for the referenced Professional Services Agreement in the amount of \$500,000.00 from account 569011/26100-2023/6840100000 to 579061/47800-2023/6840100000.
