2021 TRANSPORTATION BOND PROGRAM**

***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court approve a Interlocal Agreement (ILA) with the City of Azle related to improvements to Dunaway Lane.

BACKGROUND

On August 3, 2021, the Commissioners Court, through Court Order #136021, accepted a prioritized list of 33 projects recommended by the participating cities and the Court-appointed Project Evaluation Committee (PEC) for funding in the Call for Projects category of the 2021 Transportation Bond Program (TBP). The Dunaway Lane improvement project is included in the approved list of projects.

With voter approval of Proposition A on November 2, 2021, and with Commissioner Court approval of the issuance of bond funds on May 24, 2022, the County is now proceeding with the execution of a ILA with the City of Azle related to improvements to Dunaway Lane. This project will consist of the construction of Dunaway Lane from State Highway 199 to Ash Avenue. The project calls for widening the roadway to include a middle turn lane as well as burying the current open-channel storm drainage. There will also be a water line and internal drainage added.

This ILA is attached and has been reviewed by the Auditor's Office and approved as to form by the Criminal District Attorney's Office.

FISCAL IMPACT

The fiscal impact to Tarrant County for FY 2023 will be \$100,000.00 in 2021 TBP funds to be disbursed in accordance with the schedule in Attachment A of this ILA. Funds are available in account 579061/47800-2023/6840100000.
