NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS
REGIONAL TRANSPORTATION COUNCIL – APRIL 2022

***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court receive and file the meeting attendance roster for the North Central Texas Council of Governments (NCTCOG) Regional Transportation Council (RTC) from April 2022 through March 2023.

BACKGROUND

The NCTCOG is the Metropolitan Planning Organization (MPO) for the Dallas-Fort Worth Metropolitan Area. The RTC, composed primarily of local elected officials, is the transportation policy body for the MPO. The RTC is responsible for direction and approval of the Regional Transportation Plan, the Transportation Improvement Program, the Congestion Management Process, and the Unified Planning Work Program; and for satisfying and implementing federal and state laws and regulations pertaining to the regional transportation planning process.

The Bylaws and Operating Procedures of the RTC require that attendance records be sent to the represented governments. Because the RTC provides technical review and advice for the regional transportation process, it is essential that each member attend meetings regularly to assure that their entity's concerns and positions are conveyed.

The attached roster contains RTC attendance from April 2022 through March 2023.

FISCAL IMPACT
