SERVICE VOLUNTEERS**

## **COMMISSIONERS COURT ACTION REQUESTED**

It is requested that the Commissioners Court recognize the efforts of the Texas A&M AgriLife Extension Service Volunteers.

## **BACKGROUND**

Volunteers are vital to the impact that Texas A&M AgriLife Extension Service has on improving the lives of Tarrant County residents. Each year our team of Extension Agents work with more than 1,000 volunteers to provide educational opportunities for adults and youth across Tarrant County. These volunteer groups include our Tarrant County Master Gardeners, Cross Timbers Master Naturalists, our Tarrant County 4-H Volunteers, Master Wellness Volunteers and our various committee members who help to drive our programming efforts across Tarrant County.

In 2022, there were 969 volunteers who reported a total of 73,395 volunteer hours, the equivalent of 35 full time employees. At a value of \$29.95 per the Independent Sector, this is a total contribution of \$2,198,179.00.

## **FISCAL IMPACT**

There is no fiscal impact associated with this action.
