**SUBJECT: APPROVAL OF PROFESSIONAL SERVICES AGREEMENTS WITH
ABBA STAFFING CONSULTING AND AD-A-STAFF FOR TYPING
TEST SERVICES**

***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court approve the professional services agreements with ABBA Staffing Consulting and Ad-A-Staff to assist the Human Resources Department by providing typing tests for applicants.

BACKGROUND

In a continuing effort to provide better customer service to its applicants, the Human Resources Department would like to continue to offer typing tests through ABBA Staffing Consulting and Ad-A-Staff (agencies previously approved by Commissioners Court for FY 2008 through FY 2022). This gives applicants who find it inconvenient to come to the Human Resources Department to take typing tests the option to take the test at a more convenient location.

The Criminal District Attorney's Office has reviewed these documents as to form.

FISCAL IMPACT

There is no fiscal impact to Tarrant County as applicants cover one hundred percent (100%) of cost for the typing test. Ad-A-Staff will charge a fee of \$10.00 for the first typing test taken and \$5.00 per each additional test and ABBA Staffing Consultants will charge a fee of \$15.00 for the first typing test taken and \$5.00 per each additional test.
