***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court approve a Professional Services Agreement between Tarrant County and TransSystems Corporation, d/b/a TransSystems Corporation Consultants related to the Off-System Bridges Project.

BACKGROUND

Approximately every two (2) years, the Texas Department of Transportation (TxDOT) conducts inspections on all publicly owned vehicular bridges, including off-system bridges that are not maintained by TxDOT. Once complete, TxDOT provides Tarrant County with the inspection scores for each of the off-system bridges. Using these scores, Tarrant County develops construction plans for implementing any necessary improvements.

On January 18, 2022, the Commissioners Court, through Court Order #137286, approved RFQ 2022-044, Annual Contract for Professional Engineering and Planning Services with TransSystems Corporation, d/b/a TransSystems Corporation Consultants being an approved vendor.

Transportation Services received the latest bridge inspection scores from TxDOT in Fall 2022 and now desires to engage TransSystems Corporation Consultants to assist with the development of the construction plans. These plans will be required prior to making any necessary improvements.

This Professional Services Agreement has been approved as to form by the Criminal District Attorney's Office.

FISCAL IMPACT

The agreement is for an amount not-to-exceed \$161,525.00. Funds are available in account 569011/26100-2023/6840100000.
