***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court approve renewal of RFQ No. 2022-198, Annual Contract for HVAC Test, Adjust, Balance, and Professional Services, for the first optional twelve (12) month period at the same contract terms.

BACKGROUND

On August 30, 2022, the Commissioners Court, through Court Order #138979, awarded RFQ No. 2022-198, Annual Contract for HVAC Test, Adjust, Balance, and Professional Services, for Facilities Management, to the following vendors:

Primary	Air Balancing Company, Inc.
	Campos Engineering, Inc.

The awards were based upon each vendor's high ranking in the evaluation procedure as outlined in the RFQ specifications and contained options to renew for three (3) additional twelve (12) month periods.

The vendors notified Purchasing in writing that they will extend the same contract terms through September 5, 2024. Facilities Management notified Purchasing in writing that they are pleased with the vendors and want to renew.

The professional engineering services utilized on this contract are for HVAC testing, adjusting, and balancing, plans review, examination of installation of systems and equipment, and certified reports among other services. The services are also for jail standards smoke purge testing. Testing, Adjusting, and Balancing (TAB) evaluates temperature and environmental control systems to ensure the system is heating or cooling according to design specifications and at the equipment's best level of efficiency.

Therefore, it is the joint recommendation of Facilities Management and Purchasing that the Commissioners Court approve renewal of RFQ 2022-198, Annual Contract for HVAC Test, Adjust, Balance, and Professional Services, for another twelve (12) month period.
