***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court approve an Addendum to the eClinicalWorks (ECW) Add eClinicalTouch Agreement to add additional services to the Cloud-Based Electronic Health Record System (EHRS).

BACKGROUND

Tarrant County utilizes the EHRS to secure protected health information for client services provided by Tarrant County Public Health.

On September 6, 2016, the Commissioners Court, through Court Order #123391, approved the award for RFP 2015-144 Cloud-Based Electronic Health Records System, to eClinicalWorks, LLC (eCW).

On January 10, 2023, the Commissioners Court, through Court Order #140086, approved the renewal of eCW as the sole source for the EHRS used by Tarrant County Public Health (TCPH).

With approval of this Addendum, eCW will provide access to the EHRS eClinicalTouch platform which will allow TCPH Mobile Operations Program access to the EHRS while performing services in the field. The annual cost of this service, for two providers as written, is \$600.00.

The Criminal District Attorney's Office has approved this document as to form.

FISCAL IMPACT

All associated costs will be paid from T0400-2023/5100011000/NRG.
