APPRECIATION FROM THE TEXAS VETERANS COMMISSION
NORTH TEXAS DISTRICT**

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court recognize the Tarrant County Veterans Service Office (TCVSO) for receiving a Certificate of Appreciation from the Texas Veterans Commission (TVC) North Texas District for outstanding support of veterans in the North Texas area.

BACKGROUND

The TCVSO is an advocate agency established to assist Veterans and/or their survivors to obtain entitled benefits from the U.S. Department of Veterans Affairs (VA) and the State of Texas. TCVSO provides expert advice on the various VA and State of Texas benefit programs, as well as eligibility requirements and application procedures. TCVSO also assists Veterans with completing application forms for benefits and gathering supporting documentation necessary to file a proper claim or an appeal with the VA.

Tarrant County's partnership with TVC has been instrumental in supporting Texas Veterans and their families. In addition, this partnership has helped connect veterans with employment opportunities, provided job training and career resources, and assisted with the promotion of veteran-friendly workplaces throughout the County.

A TVC representative submitted a write-up, nominating TCVSO for recognition. TCVSO was awarded second place and received the attached Certificate of Appreciation for outstanding support of veterans.
