**COMMISSIONERS COURT ACTION REQUESTED**

It is requested that the Commissioners Court approve a renewal Automotive Wrecking and Salvage Yard License for Valdivia's Auto Parts, LLC in Precinct 2.

**BACKGROUND**

On October 18, 2022, the Commissioners Court, through Court Order #139485, issued an Automotive Wrecking and Salvage Yard Permit to Valdivia's Auto Parts, LLC, located at 5009 Eden Road S. in Precinct 2. The facility is owned by Gabriel Valdivia and the owner of the property is Joey Agosti. Mr. Agosti has given his permission for the property to be used as a Salvage Yard by Mr. Valdivia. The site is approximately 2.3 acres in size.

Valdivia's Auto Parts, LLC has constructed an eight (8) foot high metal fence around the property as required by the ordinance.

The Tarrant County Transportation Services Department reviewed the license renewal application for Permit No. 22-01 and recommends approval of this item. The Transportation Department will continue to inspect the site periodically to make sure the metal fence remains in place.

**FISCAL IMPACT**

A \$150.00 fee has been received by Transportation Services for the issuance of one-year license (October 2023 to October 2024) to Valdivia's Auto Parts, LLC for an Automotive Wrecking and Salvage Yard Permit.
